## **CONCLUSIONS OF LAW**

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

### **1.10 PRIOR AUTHORIZATION**

Medicaid requires prior authorization (PA) to cover certain services before those services are rendered to the beneficiary. The purpose of PA is to review the medical need for certain services. . . .

Medicaid Provider Manual, (MPM)  
Practitioner, April 1, 2014, page 4.

Medicaid Provider Manual 6.6 Prosthodontics (Removable), (January 1, 2015) page 18, General Instructions 6.6.A. states in pertinent part:

Complete and partial dentures are benefits for all beneficiaries. All dentures require prior authorization (PA). Providers must assess the beneficiary's general oral health and provide a five-year prognosis for the prosthesis requested. An upper partial denture PA request must also include the prognosis of six sound teeth.

Complete or partial dentures are authorized when one or more of the following conditions exist:

- One or more teeth are missing
- There are less than eight posterior teeth in occlusion (fixed bridges and dentures are to be considered occluding teeth).
- An existing complete or partial denture cannot be made serviceable through repair, relining, adjustment, or duplicating (rebasing) procedures

**Docket No. 15-013725 PA**  
**Decision and Order**

At the hearing the Department witness testified that Appellant's request was denied because she has more than eight teeth in occlusion. Appellant retains teeth #4, 28, 5, 29, 12, 21 and part of the current bridge which means that Appellant has more than eight teeth in occlusion.

Appellant testified that she has difficulty eating. It is difficult to chew and therefore, difficult to eat.

On review, the Department's decision to deny the request for dentures was reached within policy. The Department has established by the necessary competent, material and substantial evidence on the record that it acted in compliance with Department policy when it denied Appellant's prior authorization request for a partial lower denture because she has more than eight teeth in occlusion including the current bridge. This Administrative Law Judge has no equity powers and cannot make a decision in contravention of Department policy.

**DECISION AND ORDER**

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly denied the Appellant's request for PA for partial lower dentures.

**IT IS THEREFORE ORDERED** that:

The Department's decision is AFFIRMED.
