ISSUE

Did the Department of Health and Human Services (Department) properly close the Claimant's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) recipient.
2. On May 7, 2015, the Department received the Claimant's completed Redetermination (DHS-1010) form and attached documents.
3. On May 28, 2015, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of Burial Resource Unknown Assets by June 8, 2015.
4. On June 9, 2015, the Department notified the Claimant that it would close his Medical Assistance (MA) benefits as of July 1, 2015.
5. On August 7, 2015, the Department received the Claimant's request for a hearing protesting the closure of his Medical Assistance (MA).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (April 1, 2015), p 5.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (October 1, 2014), pp 1-9.

The Department will send a negative action when:

- The client indicates refusal to provide a verification, or
- The time period given has elapsed and the client has not made a reasonable effort to provide it. Department of Human Services Bridges Administrative Manual (BAM) 130 (April 1, 2014).

Before determining eligibility, the Department will give the client a reasonable opportunity to resolve any discrepancy between his statements and information from another source. BAM 130.

The Claimant was an ongoing MA recipient when the Department initiated a routine review of his eligibility to receive continuing benefits. On May 7, 2015, the Department received the Claimant's completed Redetermination (DHS-1010) along with some verification documents concerning a funeral contract. On May 28, 2015, the Department sent the Claimant a Verification Checklist (DHS-3503) requesting verification of Burial Resource Unknown Assets by June 8, 2015. On May 28, 2015, the Department made a collateral contract with the funeral home that entered into a contract

with the Claimant. On June 9, 2015, the Department notified the Claimant that it would close his MA benefits as of July 1, 2015.

The Department's representative testified that the verification documents received were insufficient because they include a statement that the "approximate value" of the funeral contract was \$ [REDACTED].

This Administrative Law Judge finds that the value of the funeral contract was not an issue here as long as the funeral contract was an irrevocable contract. The May 28, 2015, request for additional verification was vague and did not provide the Claimant with sufficient instructions of what was required. This Administrative Law Judge finds that the Claimant made a reasonable attempt to provide the Department with information necessary to redetermine his eligibility for continuing MA benefits.

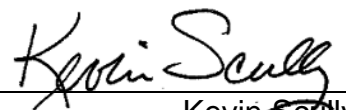

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) benefits as of July 1, 2015.

DECISION AND ORDER

Accordingly, the Department's decision is REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Allow the Claimant a ten-day period to submit to the Department with any additional information about his funeral contact that was not already provided.
2. Initiate a determination of the Claimant's eligibility for Medical Assistance (MA) as of July 1, 2015.
3. Provide the Claimant with a Notice of Case Action (DHS-1605) describing the Department's revised eligibility determination.
4. Issue the Claimant any retroactive benefits he may be eligible to receive, if any.
