2. On January 7, 2015, the Claimant provided verification of income for benefit group.
3. The Claimant receives monthly earned income from employment in the gross monthly amount of \$ [REDACTED]

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- There is no excess income, or
- Allowable medical expenses equal or exceed the excess income. BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the "protected income level" as set forth in the policy contained in the Program Reference Table (RFT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

A review of claimant's case reveals that the Department budgeted correct amount of income received by the Claimant. Claimant's income limit for her category of Medical Assistance (MA) is \$ [REDACTED] and this amount cannot be changed either by the Department or by this Administrative Law Judge. Department's determination that the Claimant has a \$ [REDACTED] deductible per month she must meet in order to qualify for MA for any medical expenses above is therefore correct.

The Claimant argued that her husband's income was not likely to continue at the rate projected by the Department.

This Administrative Law Judge finds that the Department based its determination of the husband's prospective earned income from employment on the information supplied by the Claimant on her application for assistance and the copies of paycheck stubs also provided by the Claimant. This Administrative Law Judge finds that the Department determined the group's total prospective monthly income based on the best information available and in accordance with policy.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined the Claimant's eligibility for Medical Assistance (MA).

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
