IN THE MATTER OF:

████████████████████
████████████████
████████████████

Reg. No.: 15-002640
Issue No.: 3005
Case No.: ██████████
Hearing Date: April 8, 2015
County: WAYNE-DISTRICT 19
(INKSTER)

ADMINISTRATIVE LAW JUDGE: Eric Feldman

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on April 8, 2015, from Detroit, Michigan. The Department was represented by ██████████, Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 26, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to that trafficking of benefits is unlawful and a violation of policy and could result in a disqualification from receipt of future benefits and recoupment of issued benefits.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is September 1, 2010 to November 30, 2010 (fraud period).
7. The Department alleges that Respondent trafficked [REDACTED] in FAP benefits.
8. This was Respondent's first alleged IPV.
9. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
 - the total OI amount is less than \$500, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

BAM 700 defines trafficking as:

- The buying or selling of FAP benefits for cash or consideration other than eligible food. Examples would be liquor, exchange of firearms, ammunition, explosives or controlled substances.
- Selling products purchased with FAP benefits for cash or consideration other than eligible food.
- Purchasing containers with deposits, dumping/discarding product and then returning containers to obtain cash refund deposits.

BAM 700, p. 2.

Additionally, BEM 203 states that these FAP trafficking disqualifications are a result of the following actions:

- Fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or
- Redeeming or presenting for payment coupons known to be fraudulently obtained or transferred.

BEM 203 (January 2009), p. 2.

The Department's argument against Respondent for trafficking FAP benefits is as follows:

- there exists a food store (hereinafter referred to as "Store "), where the United States Department of Agriculture ("USDA") conducted an investigation at the Store regarding food trafficking and determined that the Store was engaged in food trafficking and ultimately led to the Store's permanent disqualification from the Supplemental Nutrition Assistance Program (SNAP);
- Store had Electronic Benefit Transfer (EBT) transactions of FAP benefits which averaged a higher amount in transactions than similar stores in the same size and area;
- Store has a limited supply of food and counter space where it is unlikely that someone would make regular and/or large purchases of food;
- over a period of time, Respondent had high dollar transactions at the Store which is consistent with traditional trafficking patterns; and
- thus, Respondent trafficked FAP benefits.

First, the Department presented evidence from the USDA that the Store engaged in FAP trafficking, which resulted in the Store's permanent disqualification from SNAP on May 8, 2012. See Exhibit 1, pp. 23-25; see also USDA letter dated March 9, 2012, pp. 21-22.

Second, the Department argued that the Store had a limited supply of food and counter space where it is unlikely that someone would make regular and/or large purchases of food. See Exhibit 1, p. 4. Also, the Department presented pictures/case analysis in an attempt to demonstrate the above description of the Store's layout. See Exhibit 1, pp. 11-20.

Third, to establish that Respondent trafficked his FAP benefits at the Store, the Department relied on Respondent's FAP transaction history. See Exhibit 1, p. 35. For example, Respondent had three large purchases in the amount of \$67.49 on September 4, 2010; \$88.93 on October 4, 2010; and \$109.71 on November 4, 2010. See Exhibit 1, p. 35.

Based on the foregoing information and evidence, the Department has failed to establish that Respondent committed an IPV involving her FAP benefits.

First, the pictures presented by the Department do indicate somewhat that a person would have difficulty making large transactions because of the limited food supply and small counter space/glass barrier. However, the pictures also showed food product that are intended for consumption. See Exhibit 1, pp. 12-14. Based on this information, it can be inferred that Respondent could purchase legitimate transactions based on the evidence submitted. See Exhibit 1, pp. 12-14.

Second, the Department's main argument was based on Respondent's FAP transaction history. The Department presented Respondent's three transactions conducted at the Store. See Exhibit 1, p. 35. The Department contended that these amounted to trafficking. See OIG report, Exhibit 1, p. 4. However, these three transactions were conducted on different dates, were a month apart, and were different amounts (not even amounts). See Exhibit 1, p. 35. Respondent's EBT transaction history is not persuasive to conclude that he is involved in trafficking. An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). As such, the evidence presented does not establish by clear and convincing evidence that Respondent trafficked his FAP benefits.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, pp. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720,

p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has not satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is not subject to a disqualification under the FAP program. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

For FAP trafficking, the OI amount for trafficking-related IPVs is the value of the trafficked benefits as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

BAM 720, p. 8

In this case, the Department has failed to establish that Respondent committed an IPV involving his FAP benefits. Thus, the Department has failed to satisfy its burden of showing that Respondent did receive an OI of program benefits in the amount of [REDACTED] for the period of September 1, 2010 to November 30, 2010 in FAP benefits. Therefore, an overissuance is not present in this case.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did not receive an OI of program benefits in the amount of [REDACTED] from the FAP benefits.
