MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

Reg. No.: 15-002787
Issue No.: 1008, 3007
Case No.: [REDACTED]
Hearing Date: April 08, 2015
County: KENT-DISTRICT 1 (FRANKLIN)

ADMINISTRATIVE LAW JUDGE: Gary Heisler

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on April 8, 2015, from Lansing, Michigan. Participants on behalf of Claimant included herself. Participants on behalf of the Department of Human Services (Department) included Family Independence Manager (FIM) [REDACTED] DHS Worker [REDACTED] and [REDACTED]. During this hearing it was determined that no ongoing negative action was taken regarding Claimant's Medical Assistance eligibility. The Medical Assistance portion of this hearing request is dismissed.

ISSUES

Did the Department properly sanction Claimant's Family Independence Program (FIP) for noncompliance with the Partnership, Accountability, Training, Hope (PATH) program?

Did the Department properly sanction Claimant's Food Assistance Program for noncompliance with the Partnership, Accountability, Training, Hope (PATH) program?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an ongoing recipient of Family Independence Program (FIP) and Food Assistance Program benefits. Claimant was attending Partnership, Accountability, Training, Hope (PATH) as an eligibility requirement to receive benefits under these programs.
- (2) Beginning January 12, 2015 Claimant did not attend PATH or meet her participation requirements.
- (3) On January 27, 2015, Claimant was sent a Notice of Non-Compliance (DHS-2444) which scheduled a triage meeting for February 4, 2015.

Claimant was also sent a Notice of Case Action (DHS-1605) stating that the Family Independence Program (FIP) and Food Assistance Program would be sanctioned.

- (4) On February 4, 2015, Claimant did not participated in the scheduled triage meeting. The Department determined there was no good cause for Claimant's failure to participate in employment and/or self-sufficiency related activities.
- (5) On February 11, 2015, Claimant submitted a request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1997 AACRS R 400.3101-3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Department's policies are available on the internet through the Department's website. Bridges Eligibility Manual (BEM) 233A Failure To Meet Employment and/or Self-Sufficiency Related Requirements: FIP, provides guidance for administration of the Partnership, Accountability, Training, Hope (PATH) program. The policy identifies participation requirements, actions that are noncompliant, the consequences of noncompliance, and the definition of good cause for noncompliance.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with Partnership, Accountability, Training, Hope (PATH) or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - Develop a Family Self-Sufficiency Plan (FSSP).
 - Comply with activities assigned on the FSSP.
 - Provide legitimate documentation of work participation.
 - Appear for a scheduled appointment or meeting related to assigned activities.
 - Participate in employment and/or self-sufficiency-related activities.
 - Participate in required activity.
 - Accept a job referral.
 - Complete a job application.
 - Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program

requirements.

- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

Bridges Eligibility Manual (BEM) 233B Failure To Meet Employment Requirements: FAP, provides guidance for administration of employment requirements for the Food Assistance Program. The policy identifies participation requirements, actions that are noncompliant, the consequences of noncompliance, and the definition of good cause for noncompliance. The guidance includes “Noncompliance without good cause, with employment requirements for FIP/RCA may affect FAP if both programs were active on the date of the FIP noncompliance.”

The Department alleged that Claimant was noncompliant because she did not attend PATH and failed to meet her participation requirements. Claimant does not dispute that she: stopped attending PATH; did not meet her PATH participation requirement; and did not attend the February 4, 2015 triage meeting. Claimant asserts she had good cause because she had medical problems with high blood pressure.

Claimant submitted a January 27, 2015 letter from [REDACTED]. The letter states “This is to confirm for you records that [REDACTED] contacted our office on 1/26/15. She notified us that she missed work from 1/12/15 through 1/17/15 due to a medical condition. We did not evaluate her during this time period nor did we dispense advise pertaining to work. The last time she was evaluated was 12/24/14.”

Claimant testified that when she saw the Doctor on 12/24/14 he diagnosed her with high blood pressure and prescribed her a blood pressure medication in a 25 mg dose. Claimant went on to testify that after about 10 days she was still having problems so she telephoned the Doctor and he increased her blood pressure medication to a 50 mg dose. Claimant asserted that it took another 10 days or so for the medication to have an effect but by then all her children had the flu and she got the flu also.

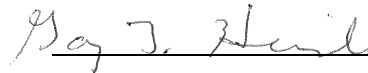

The policy section on good cause cited above requires verification and documentation. The evidence presented at the hearing does not constitute verification and documentation. Claimant has not established that she had good cause in accordance with Department policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department properly

sanctioned Claimant's Family Independence Program (FIP) and Food Assistance Program (FAP) for noncompliance with the Partnership, Accountability, Training, Hope (PATH) program.

It is ORDERED that the actions of the Department of Human Services, in this matter, are **UPHELD**.
