MICHIGAN ADMINISTRATIVE HEARING SYSTEM  
ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**IN THE MATTER OF:**

[REDACTED]

Reg. No.: 15-003400  
Issue No.: 3005  
Case No.: [REDACTED]  
Hearing Date: May 20, 2015  
County: Washtenaw

**ADMINISTRATIVE LAW JUDGE:** Kevin Scully

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on May 20, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Participants on behalf of Respondent included: Karen Smith.

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 12, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. The Department's OIG indicates that the time period it is considering the fraud period is March 1, 2011, through February 28, 2014.

4. The Department alleges that from March 1, 2011, through February 28, 2014, the Respondent made purchases using Food Assistance Program (FAP) benefits totaling \$ [REDACTED] in a manner not authorized by the Food and Nutrition Act of 2008, and that the Department alleges to be trafficking of benefits.
5. This was Respondent's first alleged IPV.
6. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
  - the total OI amount is less than \$500, **and**
    - the group has a previous IPV, **or**
    - the alleged IPV involves FAP trafficking, **or**
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges  
Administrative Manual (BAM) 720 (October 1, 2014), pp 12-  
13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges  
Administrative Manual (BAM) 700 (May 1, 2014), p 7,  
BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

Evidence that the client had prior knowledge of these requirements is unnecessary to establish an Intentional Program Violation (IPV) for trafficking. IPV is automatically suspected for a client who is alleged to have trafficked FAP benefits. 7 CFR 273.16, BAM 720.

The Respondent was a Food Assistance Program (FAP) recipient from March 1, 2011, through February 28, 2014. During this period, the Respondent's FAP benefits were used to make purchases at a business known to engage in frequent trafficking of FAP benefits. This business has been disqualified from accepting FAP benefits due to trafficking of benefits. The Respondent made purchases that were inconsistent with the known inventory of goods available for purchase at this business, which fits the classification of a convenience store. For example, on October 15, 2012, the Respondent made two \$ [REDACTED] purchases within one minute, which is inconsistent with normal purchasing patterns at a convenience store but is consistent with known patterns of benefit trafficking. On January 15, 2014, the Respondent made a single purchase for \$ [REDACTED] which exhausted the Respondent's FAP benefits available at that time and is inconsistent with normal convenience store purchases similar to this business. Records of the Respondent's purchases at this business show purchases that were increasing in amount, which is consistent with a growing relationship between the Respondent and a business known to solicit benefit trafficking. During the period of alleged fraud, the Respondent made purchases that fit a pattern of trafficking totaling \$ [REDACTED]

The Respondent argued that her FAP benefit card may have been stolen and that another person used her benefits without her consent.

No evidence was presented on the record showing that the Respondent reported her FAP benefit card missing or stolen during the period of alleged fraud.

The Department has the burden of establishing by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV). Clear and convincing proof is that which produces in the mind of the trier of fact a firm belief or conviction as to the truth of the precise facts in issue. Evidence may be uncontroverted and yet not be clear and convincing. Conversely, evidence may be clear and convincing even if contradicted. *Smith v Anonymous Joint Enterprise*, 487 Mich 102; 793 NW2d 533 (2010), reh den 488 Mich 860; 793 NW2d 559 (2010).

This Administrative Law Judge finds that the Department established by clear and convincing evidence that the Respondent intentionally used Food Assistance Program (FAP) benefits in a manner other than authorized by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a, and fits the Department's definition of benefit trafficking in Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2014), pp 1-22.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent did receive an OI of Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.
4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
