DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 15-004238
Issue No.: 6005
Case No.: [REDACTED]
Hearing Date: May 28, 2015
County: Oakland (4) North Saginaw

ADMINISTRATIVE LAW JUDGE: Colleen Lack

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on May 28, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Child Development and Care (CDC) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for CDC?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 23, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of CDC benefits issued by the Department.
4. Respondent was aware of the responsibility to report any change in circumstances that will affect eligibility or benefit amount, including changes with schooling and day care needs.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is September 1, 2011, through October 31, 2012, (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in CDC benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in CDC benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.

- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 1, 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 1, 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

There are four valid CDC need reasons. Each parent/substitute parent of the child needing care must have a valid need reason during the time child care is requested.

Each need reason must be verified and exists only when each parent/substitute parent is unavailable to provide the care because of: (1) Family preservation, (2) High school completion, (3) An approved activity, and (4) Employment. BEM 703, July 1, 2011, p. 3.

Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. BAM 105, (June 1, 2011), pp. 7-8.

In this case, the Department has established that Respondent was aware of her reporting responsibilities. Respondent's signature on the CDC Application in this record certifies that she was aware of the reporting responsibilities and that fraudulent participation in benefits could result in criminal, civil or administrative claims. In addition, Respondent had no apparent physical or mental impairment that limited her understanding or ability to fulfill the reporting responsibilities.

Respondent had been receiving CDC based on a need reason of approved education/training/employment preparation. The Department verified that Respondent was suspended from [REDACTED] on [REDACTED] 2011, and did not register to return for [REDACTED] 2012. There was no evidence that Respondent reported the change in schooling and day care need, resulting in an overissuance of CDC benefits.

Overall, the evidence establishes that the Respondent intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. Accordingly, the Department has established that the Respondent committed a CDC IPV by clear and convincing evidence.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (April 1, 2014), p. 1. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1.

In this case, the evidence of record established that Respondent committed a CDC IPV; therefore, she is subject to disqualification.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the evidence of record shows that during the above-mentioned fraud period Respondent received an OI of CDC benefits in the amount of \$ [REDACTED]

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from the CDC program.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from CDC in accordance with Department policy.
