**ADMINISTRATIVE LAW JUDGE:** Kevin Scully

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, telephone hearing was held on May 13, 2015, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish by clear and convincing evidence that the Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on March 26, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. The Department's OIG indicates that the time period it is considering the fraud period is November 1, 2011, through April 30, 2013.

4. On an application for assistance dated March 10, 2011, and a Redetermination (DHS-1010) dated January 21, 2012, the Respondent acknowledged the duty to report all household income to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department alleges that from November 1, 2011, to January 31, 2012, the Respondent received \$ [REDACTED] of Food Assistance Program (FAP) benefits but was eligible for only \$ [REDACTED] and therefore received an overissuance of \$ [REDACTED]
7. The Department alleges that from May 1, 2012, to August 31, 2012, the Respondent received \$ [REDACTED] of Food Assistance Program (FAP) benefits but was eligible for only \$ [REDACTED] and therefore received an overissuance of \$ [REDACTED]
8. The Department alleges that from November 1, 2012, to April 30, 2013, the Respondent received \$ [REDACTED] of Food Assistance Program (FAP) benefits but was eligible for only \$ [REDACTED] and therefore received an overissuance of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

- the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$500 or more, **or**
- the total OI amount is less than \$500, **and**
  - the group has a previous IPV, **or**
  - the alleged IPV involves FAP trafficking, **or**
  - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
  - the alleged fraud is committed by a state/government employee.

Department of Health and Human Services Bridges Administrative Manual (BAM) 720 (October 1, 2014), pp 12-13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

Department of Health and Human Services Bridges Administrative Manual (BAM) 700 (May 1, 2014), p 7, BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

## **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15-16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 1, 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

## **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2015), pp 1-20.

Income reporting requirements are limited to the following:

- Earned income:
  - Starting or stopping employment.
  - Changing employers.
  - Change in rate of pay.
  - Change in work hours of more than five hours per week that is expected to continue for more than one month. BAM 105.

On an application for assistance dated March 10, 2011, the Respondent acknowledged the duty to report all household income to the Department. On the Respondent's application for assistance, she reported to the Department that no one in the household was employed except that she was employed receiving earned income from September 14, 2011 through January 22, 2012. On a Redetermination (DHS-1010) dated January 21, 2012, the Respondent again failed to report any earned income from employment. The Respondent was employed with a second employer and received earned income from March 12, 2012, through August 5, 2012. The Respondent worked and received earned income from her previous employer from September 16, 2012, through April 11, 2013. On November 9, 2012, the Respondent submitted another application for assistance but did not report any earned income. On a Redetermination (DHS-1010) dated February 21, 2013, the Respondent reported that her household was not receiving any earned income. The Respondent was employed and received earned income from another employer from September 6, 2013, through November 8, 2013.

On November 26, 2013, the Respondent submitted another application for assistance but did not report any earned income to the Department.

The Department's representative testified that Department records indicate that the Respondent reported that members of her benefit group were receiving unearned income from several sources but that the Respondent failed to report when she started and ended her periods of employment. The Respondent had a duty to report when she started and ended employment, and to report all earned income to the Department in a timely manner.

From November 1, 2012, through April 30, 2013, the Respondent received FAP benefits totaling \$ [REDACTED] but would have been eligible for \$ [REDACTED] if she had reported her earned income to the Department. From May 1, 2012, through August 31, 2012, the Respondent received FAP benefits totaling \$ [REDACTED] but would have been eligible for \$ [REDACTED] if she had reported her earned income to the Department. From November 1, 2011, through January 31, 2012, the Respondent received FAP benefits totaling \$ [REDACTED] but would have been eligible for \$ [REDACTED] if she had reported her earned income to the Department. For these three periods of time where the Respondent's earned income from employment was not applied to the Department's FAP eligibility determinations, the Respondent received a FAP overissuance totaling \$ [REDACTED]

This Administrative Law Judge finds that the Department has established by clear and convincing evidence that the Respondent intentionally failed to report her earned income from employment to the Department for the purposes of receiving Food Assistance Program (FAP) benefits that she would not have been eligible to receive otherwise.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of Food Assistance Program (FAP) program benefits in the amount of \$ [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

4. It is FURTHER ORDERED that Respondent be disqualified from the Food Assistance Program (FAP) for a period of 12 months.
