1. Claimant was receiving Medical Assistance (MA) at all times pertinent to this hearing.
2. Claimant received Retirement, Survivors and Disability Insurance (RSDI) in the amount of \$ [REDACTED] a month. Claimant's husband received SSI in the amount of \$ [REDACTED] Depart Ex. A, pp 16-18, 32-34.
3. The Department mailed Claimant a Health Care Coverage Determination Notice on February 24, 2015, informing Claimant that effective April 1, 2015, she would have a \$ [REDACTED] monthly deductible.
4. Claimant submitted a hearing request on March 9, 2015, contesting the Medicaid deductible.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his claim for assistance is denied. MAC R 400.903(1).

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The department will provide an administrative hearing to review the decision and determine the appropriateness. BAM 600.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA).

The Medicaid program is comprised of several sub-programs or categories. One category is FIP recipients. Another category is SSI recipients. There are several other categories for persons not receiving FIP or SSI. However, the eligibility factors for these categories are based on (related to) the eligibility factors in either the FIP or SSI program. Therefore, these categories are referred to as either FIP-related or SSI-related.

To receive Medicaid under an SSI-related category, the person must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. Families with dependent children, caretaker relatives of dependent children, persons under age 21 and pregnant, or recently pregnant women, receive Medicaid under FIP-related categories.

Clients may qualify under more than one Medicaid category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income. BEM 105.

The State of Michigan has set guidelines for income, which determine if a Medicaid group is eligible. Income eligibility exists for the calendar month tested when there is no excess income, or allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 240 lists the Group 2 Medicaid protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medicaid group (Group 2 MA) has income the same as or less than the "protected income level" as set forth in the policy contained in the Reference Table (RFT). An individual or Medicaid group whose income is in excess of the monthly protected income level is ineligible to receive Medicaid.

However, a Medicaid group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for Medicaid, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The Medicaid group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

In this case, Claimant's protected income level is \$ [REDACTED] and Claimant's countable net income is \$ [REDACTED]. Subtracting the protected income level of \$ [REDACTED] from Claimant's countable net income of \$ [REDACTED] results in a monthly deductible of \$ [REDACTED].

This Administrative Law Judge finds that the Department properly determined Claimant's Medicaid eligibility. Once Claimant's husband began receiving SSI in the amount of \$ [REDACTED] Claimant was no longer eligible for full coverage Medicaid based on the increased income. The Department was then required to determine if Claimant was eligible for Medicaid under any other program. Even though Claimant's net income is in excess of the allowable limits, the Department found she is still eligible for Medicaid under the deductible program. As a result, the Department properly determined Claimant's Medicaid eligibility.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department properly determined Claimant's Medicaid deductible.

Accordingly, the Department's decision is **AFFIRMED**.

It is **SO ORDERED**.
