Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to timely report any household changes, including changes with income, to the Department.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k. .

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the SDA program pursuant to 42 CFR 435, MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The Adult Services Program (ASP), which provides for AHH benefits, is established by Title XIX of the Social Security Act, 42 USC 1346 *et seq*, 42 CFR 440.170(f), the Social Welfare Act, and MCL 400.14(1)(p). The Department of Human Service (formerly known as the Department of Human Services), along with the Michigan Department of Community Health (DCH), administers independent living services (home help) for personal care services pursuant to the Medicaid State Plan.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or

- the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
- the alleged fraud is committed by a state/government employee.

BAM 720 (October 1, 2014), pp. 12-13.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 1, 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department has established that Respondent was aware of the responsibility to timely and accurately report to the Department all household changes, including changes with income. Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. BAM 105 (July 1, 2013), pp. 8-10. Respondent's signature on the Assistance Application and Redetermination in this record certifies that she was aware of the reporting responsibilities and that fraudulent participation in benefits could result in criminal or civil or administrative claims. (Department Exhibit A, pp. 11-28 and 37-48) A Notice of Case Action issued to Respondent on May 17, 2013, noted no earned income was included in the FAP budget and reminded Respondent of the reporting responsibilities. (Department Exhibit A, pp. 30-36) Respondent had no apparent physical

or mental impairment that limits understanding or ability to fulfill the reporting responsibilities.

The record contained verification of Respondent's son's income from employment with Menards, with a first pay on [REDACTED]. (Department Exhibit A, pp. 51-80)

There is no evidence that Respondent timely reported this change in income to the Department within 10 days, as required per policy. Rather, the evidence indicates the Department learned of the employment income from a Wage Match report. (Department Exhibit A, pp, 49-50)

The verified income from employment was utilized to re-determine FAP eligibility during the fraud period. (Department Exhibit A, pp. 81-92) Respondent's failure to timely report the employment income resulted in an OI of FAP benefits. Accordingly, the Department has established that Respondent committed an IPV by clear and convincing evidence.

Disqualification

A client who is found to have committed a FAP IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for other IPV cases involving FAP, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the evidence of record shows that Respondent committed an FAP IPV; therefore, she is subject to disqualification.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

The verified income from employment was utilized to re-determine FAP eligibility during the fraud period. (Department Exhibit A, pp. 81-92) The evidence of record shows that during the above-mentioned fraud period Respondent received an OI of FAP benefits in the amount of \$ [REDACTED]

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.

2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP program.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP in accordance with Department policy.
