ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HEALTH AND HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

MAHS Reg. No.: 15-018800
Issue No.: ESO
Agency Case No.: [REDACTED]
Hearing Date: February 24, 2016
County: DHHS SSPC OFFICE

ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing and accordingly this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903), and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on February 24, 2016, from Detroit, Michigan. The Petitioner was represented by the Petitioner, [REDACTED]. The Department was represented by [REDACTED], Eligibility Specialist. [REDACTED], of [REDACTED], served as translator during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On February 26, 2015, Petitioner applied for MA. Exhibit 1.
2. On the date of MA application or redetermination, Petitioner was not a United States (U.S.) citizen.
3. The Petitioner indicated on the application for MA that she had eligible immigration status. Exhibit 1, p.4.

4. The Petitioner has a green card and entered the U.S. in [REDACTED], with an SQ-1 status.
5. Beginning February 1, 2015, Petitioner had **full-coverage MA case**. Exhibit 2. The Department issued a Health Care Coverage Determination Notice as of September 2, 2015, activating full MA coverage as of February 1, 2015, ongoing. The Petitioner currently has full MA coverage as of the date of the hearing.
6. On an unknown date, the Department issued a notice to the Petitioner indicating he/she might have been denied full MA coverage based on immigration status between January 2014 and May 2015.
7. On September 4, 2015, Petitioner requested a hearing.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the Department granting him/her ESO MA rather than full-coverage MA. To be eligible for full-coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (January 2014), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2. At the hearing, it was determined that Petitioner's Immigration Status was SQ and that her Permanent Residence began in March 22, 2012. This was confirmed by the Department's Bridges system.

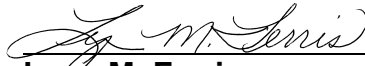

The Department testified that after Petitioner filed her hearing request, it reassessed her MA eligibility. Based on Petitioner's statements in her MA application that she had eligible immigration status and that she was a permanent resident, it reassessed the MA group's eligibility and activated full-coverage MA for Petitioner.

At the hearing, the evidence established that Petitioner's SQ status entitles her to full MA as set forth in Department policy found in BEM 225, (October 1, 2015), p. 32. The Petitioner was eligible from February 1, 2015, ongoing from the date of her application filed February 26, 2015. Exhibit 1. That being the case, it is determined that the Department correctly corrected the Petitioner's MA eligibility to full coverage by a Health Care Coverage Determination Notice dated September 2, 2015, granting full MA coverage as of February 1, 2015. Exhibit 2. At the time of the hearing, the Department confirmed that Petitioner had ongoing full coverage in its Bridges system.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department **did properly** determine Petitioner's immigration status or citizenship when determining MA eligibility and properly corrected MA to full medical coverage.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
