HEARING DECISION

Pursuant to a September 8, 2014 federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing and accordingly this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a three-way telephone conference hearing was held on February 24, 2016, from Lansing, Michigan. The Petitioner was represented by her mother, [REDACTED] (Authorized Hearing Representative). The Department was represented by [REDACTED] (Eligibility Specialist). [REDACTED] served as a translator during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner is a minor. [Exhibit 1, p. 20].
2. Petitioner and her family entered the United States from Bangladesh in 2011. [Exh. 1, p. 20].
3. Petitioner became a permanent resident of the U.S. on June 15, 2011. [Exh. 1, p. 20].

4. On November 15, 2013, Petitioner applied for MA benefits. [Exh. 1, pp. 5-16].
5. On the date of MA application, Petitioner was a permanent resident. [Exh. 1, p. 20].
6. Beginning December 1, 2013, the Department approved Petitioner's MA application for Emergency Services Only (ESO) MA coverage. [Exh. 1, pp. 21-25].
7. In August, 2015, the Department issued a notice to the Petitioner indicating that she may have been denied full MA coverage based on immigration status between January 2014 and May 2015. [Exh. 1, pp. 21-25].
8. On September 8, 2015, Petitioner requested a hearing. [Exh. 1, p. 2].
9. On November 10, 2015, the Department mailed Petitioner a Benefit Notice (DHS-176) which indicated that she had full MA coverage from January, 2014 through November, 2015. [Exh. 1, pp. 26-27].

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the activation of ESO MA coverage. The Department contends that although Petitioner was initially granted ESO coverage, the Department later provided Petitioner with full MA coverage from January, 2014 through November, 2015.

Policy requires the Department determine the alien status of each non-citizen requesting benefits at application, member addition, redetermination and when a change is reported. BEM 225 (1-1-2014), p. 1.

To be eligible for full MA coverage, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225, p. 2. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

A child born to a woman receiving Medicaid is considered a U.S. citizen. No further documentation of the child's citizenship is required. BEM 225, p. 2. Citizenship/alien status is not an eligibility factor for emergency services only (ESO) MA. However, the person must meet all other eligibility factors, including residency. BEM 225, p. 2.

MA coverage is limited to emergency services for any: (1) persons with certain alien statuses or U.S. entry dates as specified in policy; (2) persons refusing to provide citizenship/alien status information on the application; and/or (3) persons unable or refusing to provide satisfactory verification of alien information. BEM 225, p. 3. All other eligibility requirements including residency **must** be met even when MA coverage is limited to emergency services. BEM 225, p. 3.

Persons listed under the program designations in Acceptable Status meet the requirement of citizenship/alien status. Eligibility may depend on whether or not the person meets the definition of Qualified Alien. BEM 225, p. 3.

"Qualified alien" means an alien who is lawfully admitted for **permanent residence** under the INA. BEM 225, p. 4 (Emphasis added). For MA, an individual is limited to emergency services for the first five years in the U.S. BEM 225, p. 8.

In this case, Petitioner's AHR testified that Petitioner entered the U.S. on June 15, 2011 and was a permanent resident at the time of application. The record shows that Petitioner was, in fact, a permanent resident. [Exh 1, p. 20]. The record further shows that the Department initially provided Petitioner with ESO MA benefits, but that the Department later provided full MA benefits. Therefore, Petitioner was eligible for, and provided, full MA benefits.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department **did** properly determine Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED.**
