HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on February 09, 2016, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED]. [REDACTED] (Hearing Facilitator) represented the Department of Health and Human Services (Department).

ISSUE

Did the Department of Health and Human Services (Department) properly deny the Claimant's Medical Assistance (MA) application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On October 14, 2015, the Department received the Claimant's application for Medical Assistance (MA).
2. On October 27, 2015, the Department received the Claimant's Health Care Coverage Supplemental Questionnaire (DHS-1004).
3. On November 10, 2015, the Department notified the Claimant that it had denied his Medical Assistance (MA) application.
4. On November 10, 2015, the Department received the Claimant's request for a hearing protesting the denial of his Medical Assistance (MA) application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (July 1, 2015), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (July 1, 2015), pp 1-9.

Assets means cash, any other personal property and real property. Real property is land and objects affixed to the land such as buildings, trees and fences. Condominiums are real property. Personal property is any item subject to ownership that is not real property. Countable assets cannot exceed the applicable asset limit. An asset is countable if it meets the availability tests and is not excluded. Available means that someone in the asset group has the legal right to use or dispose of the asset. Department of Human Services Bridges Eligibility Manual (BEM) 400 (October 1, 2014), pp 1-7.

On October 14, 2015, the Department received the Claimant's application for MA benefits. The Claimant receives Supplemental Security Income (SSI) and Retirement, Survivors, and Disability Insurance (RSDI) benefits based on disability and is eligible for Medicare. Therefore, the Claimant is not eligible for MA benefits under the Healthy Michigan Plan (HMP) but is potentially eligible under MA categories with asset limits.

On November 10, 2015, the Department determined that the Claimant had failed to provide sufficient evidence of his countable assets because some of the statements he had provided were not current. The Claimant had disclosed that he has been using retirement accounts to pay for his current living expenses but the verification material he submitted was too old to accurately determine his current level of countable assets.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Claimant's Medical Assistance (MA) application for failure to provide the Department with information necessary to determine his eligibility to receive benefits.

Accordingly, the Department's decision is **AFFIRMED**.
