Witnesses on behalf of the Department included [REDACTED] [REDACTED] (Assistance Payments Supervisor).

ISSUE

Did the Department of Health and Human Services (Department) properly close the Claimant's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) recipient.
2. On December 1, 2015, the Department notified the Claimant that his eligibility for Medical Assistance (MA) would end as of December 1, 2015.
3. On November 25, 2015, the Department received the Claimant's request for a hearing protesting the closure of his Medical Assistance (MA) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Claimant's representative testified on the record that the Client has re-applied for FAP benefits and that he was no longer protesting the closure of FAP benefits. Therefore, the Claimant's request for a hearing is dismissed with respect to the Food Assistance Program (FAP) only.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (July 1, 2015), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (July 1, 2015), pp 1-9.

The Department will send a negative action when:

- The client indicates refusal to provide a verification, or

- The time period given has elapsed and the client has not made a reasonable effort to provide it. Department of Human Services Bridges Administrative Manual (BAM) 130 (April 1, 2014).

The Claimant was an ongoing MA recipient until December 1, 2015.

The Department's representative testified that verification of dividends received into the Claimant's bank accounts were not received in a timely manner. The Claimant's representative testified that copies of bank statements were supplied to the Department. The Department failed to produce evidence of the written request for verification from the Claimant and failed to produce evidence of how the documents submitted by the Claimant's representative were insufficient verification.

The production of evidence to support the department's position is clearly required under BAM 600 as well as general case law (see e.g., *Kar v Hogan*, 399 Mich 529; 251 NW2d 77 [1976]). In *McKinstry v Valley Obstetrics-Gynecology Clinic, PC*, 428 Mich167; 405 NW2d 88 (1987), the Michigan Supreme Court addressed the issue of burden of proof, stating in part:

The term "burden of proof" encompasses two separate meanings. [citation omitted.] One of these meanings is the burden of persuasion or the risk of nonpersuasion. The other is the risk of going forward or the risk of nonproduction. The burden of producing evidence on an issue means the liability to an adverse ruling (generally a finding or a directed verdict) if evidence on the issue has not been produced. It is usually on the party who has pleaded the existence of the fact, but..., the burden may shift to the adversary when the pleader has discharged [its] initial duty. The burden of producing evidence is a critical mechanism[.]

The burden of persuasion becomes a crucial factor only if the parties have sustained their burdens of producing evidence and only when all of the evidence has been introduced.

McKinstry, 428 Mich at 93-94, quoting *McCormick*, Evidence (3d ed), Sec. 336, p. 946.

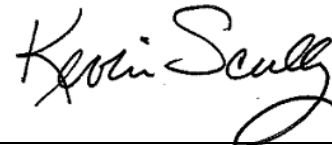

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) benefits based on a lack of effort to provide the Department with required verification material.

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Re-issue an Verification Checklist (DHS-3503) giving the Claimant a ten-day period to submit any verification documents necessary to accurately determine his eligibility for Medical Assistance (MA) benefits as of December 1, 2015.

3. Provide the Claimant with a Notice of Case Action (DHS-1605) describing the Department's revised eligibility determination.
