MAHS Reg. No.: 15-022471
Issue No.: ESO
Agency Case No.: [REDACTED]
Hearing Date: February 10, 2016
County: DHHS SSPC

ADMINISTRATIVE LAW JUDGE: Lynn M. Ferris

HEARING DECISION

Pursuant to a September 8, 2014 federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing and accordingly this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on February 10, 2016, from Detroit, Michigan. The Petitioner was represented by the Petitioner [REDACTED]. The Department was represented by Tim Emmerson, Eligibility Specialist. [REDACTED] served as translator during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] Petitioner applied for MA or benefits. Exhibit 1.
2. On the date of MA application, Petitioner was not a United States citizen and testified that he was an illegal alien. Exhibit 2.
3. Beginning [REDACTED], Petitioner's **application** was **approved** for Emergency Services Only (ESO) MA coverage. Exhibit 3

4. On [REDACTED], the Department issued a notice to the Petitioner indicating he/she might have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. On [REDACTED] Petitioner requested a hearing.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the Department's determination that he was eligible for ESO **and the Department's MA denial** of full MA coverage. To be eligible for full coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (January 2014), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6.

A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2. Non-citizens receiving ESO MA do not have to verify alien status. BEM 225, p. 20. A person who is unable to obtain verification of alien status or refuses to cooperate in obtaining it is limited to ESO until verification is obtained. BEM 225, p. 20.

In this case, the Department testified that because Petitioner indicated in his application that he did not have eligible immigration status, it approved him for ESO coverage.

Petitioner's testimony at the hearing established that he did not have eligible alien status and that he was an illegal alien. Accordingly, he was eligible for only ESO coverage.

To be eligible for full MA coverage a person must be a U.S. citizen or an alien admitted. The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department **did** properly determine Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
