Issue No.: 1008  
Agency Case No.: [REDACTED]  
Hearing Date: January 28, 2016  
County: ALPENA

**ADMINISTRATIVE LAW JUDGE:** Kevin Scully

**HEARING DECISION**

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10 After due notice, telephone hearing was held on January 28, 2016, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] [REDACTED] [REDACTED] [REDACTED] (Family Independence Specialist) represented the Department of Health and Human Services (Department). Witnesses on behalf of the Department included [REDACTED] [REDACTED] of Michigan Works.

**ISSUE**

Whether the Department of Health and Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Family Independence Program (FIP) recipient until September 1, 2015.
2. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits.
3. The Claimant was noncompliant with the PATH program when she failed to attend a reengagement appointment on August 3, 2015.
4. The Department conducted a triage meeting on August 13, 2015.

5. On August 3, 2015, the Department notified the Claimant that it would sanction her FIP benefits as of September 1, 2015.
6. The Department received the Claimant's request for a hearing on August 18, 2015, protesting the sanctioning of her FIP benefits.

### **CONCLUSIONS OF LAW**

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101-.3131.

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Health and Human Services Bridges Eligibility Manual (BEM) 230A (October 1, 2015), p 1.

A WEI who refuses, without good cause, to participate in assigned employment and/or other self-sufficiency related activities is subject to penalties. BEM 230A, p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
  - Appear and participate with PATH or other employment service provider.
  - Appear for a scheduled appointment or meeting related to assigned activities.
  - Participate in employment and/or self-sufficiency-related activities.
  - Participate in required activity.
  - Department of Health and Human Services Bridges Eligibility Manual (BEM) 233A (May 1, 2015), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

Good cause includes the following:

**No Transportation:** The client requested transportation services from DHS, PATH, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

**Unplanned Event or Factor:** Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to, the following:

- Domestic violence.
- Health or safety risk.
- Religion.
- Homelessness.
- Jail.
- Hospitalization.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education. Department of Health and Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. BEM 233B, p 10.

The Claimant was an ongoing Family Independence Program (FIP) recipient until September 1, 2015, and the Department had mandated participation in the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program when she failed to attend a reengagement appointment on August 3, 2015. The Department conducted a triage meeting on August 13, 2015, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. The Claimant attended the triage meeting but the Department did not find good cause. On August 3, 2015, the Department notified the Claimant that it would sanction her FIP benefits as of September 1, 2015.

The Claimant testified that she was unable to attend the reengagement appointment on August 3, 2015, because she had an appointment for visitation with her son on that same day and she did not have adequate transportation to attend both appointments.

It should be noted that a person with no minor children in their household is generally ineligible for any FIP benefits. In this case, the Department's representative testified that the Claimant could have remained eligible for FIP benefits by demonstrating that there was a plan for family reunification in place.

The Department's representative testified that there was adequate public transportation in place for the Claimant to attend the reengagement appointment and make it to the visitation appointment with her son. The Department's representative testified that the Claimant did not notify the Department that she would not be able to attend the reengagement meeting. Furthermore, the Claimant was required to submit records that she had completed her PATH assignment at the reengagement appointment and these records have not been submitted.

This Administrative Law Judge finds that the Claimant failed to establish good cause for her failure to attend the August 3, 2015, reengagement appointment.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department's determination that the Claimant was noncompliant with the PATH program without good cause is reasonable. The Department has established that it was acting in accordance

with policy when it sanctioned the Claimant's benefits for noncompliance with self-sufficiency related activities.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

Accordingly, the Department's decision is **AFFIRMED**. It is SO ORDERED.
