HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on March 3, 2016, from Detroit, Michigan. The Petitioner was represented by her Authorized Hearing Representative (AHR), [REDACTED]. [REDACTED] is the Petitioner's mother. The Department was represented by Agent [REDACTED]. [REDACTED] served as translator during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED], Petitioner applied for MA or had a redetermination of current MA benefits.

2. On the date of MA application or redetermination, Petitioner was not a United States citizen.
3. Beginning November 2015 through December 2015, Petitioner was approved for Emergency Services Only (ESO) MA coverage.
4. On [REDACTED], the Department issued a notice to the Petitioner indicating he/she might have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. Petitioner disagreed with the Department's actions and requested a hearing.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

To be eligible for full coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (January 2014; July 2014; October 2014; and October 2015), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services (USCIS), are eligible only for ESO MA coverage. BEM 225, p. 9. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

In this case, Petitioner is not a United States citizen. At the time of application, Petitioner provided a copy of her permanent resident card. The Permanent Resident Card revealed that Claimant came to the United States on [REDACTED]. As such, Claimant has not been a resident of the United States for more than five years. In fact,

based on the AHR's testimony, Petitioner was a person who did not meet any of the MA citizenship/alien statuses in order to be eligible for full-coverage MA (i.e., undocumented aliens and non-immigrants who have stayed beyond the period authorized by USCIS). Therefore, Petitioner is only limited to ESO coverage. See BEM 225, p. 9. As such, Claimant was provided with ESO coverage from the date of her application.

Based on the foregoing information and evidence, along with both parties' testimony, the Department properly determined Petitioner's immigration status when determining MA eligibility.

First, the evidence established that Petitioner was a person who did not meet any of the MA citizenship/alien statuses to be eligible for full-coverage MA (i.e., undocumented aliens and non-immigrants who have stayed beyond the period authorized by USCIS). Instead, Petitioner is only eligible for ESO coverage. See BEM 225, p. 9. As such, the Department properly determined that Petitioner is eligible for only ESO coverage from November 2014 through December 2015.

When an applicant for Medicaid claims to be a U.S. citizen or to have qualified immigrant status, and all other eligibility factors are met, certify benefits. Once the case has been open and coverage entered in Bridges, verification of citizenship must be completed. See BAM 130 (January 2014; April 2014; July 2014; October 2014; and July 2015), p. 4. The Department did not need to provide Petitioner with full MA coverage during the verification timeframe because Petitioner's Permanent Resident Card was submitted at the time of application and as such, no additional verification was needed.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did properly determine Petitioner's immigration status or citizenship when determining MA eligibility for November 2015 through December 2015.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
