**ADMINISTRATIVE LAW JUDGE: Jacquelyn A. McClinton**

**HEARING DECISION**

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on March 3, 2016, from Detroit, Michigan. The Petitioner was represented by Petitioner. The Department was represented by Agent [REDACTED]. [REDACTED] served as translator during the hearing.

**ISSUE**

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On [REDACTED] 014 Petitioner applied for MA benefits.
2. On the date of Petitioner's application for full MA coverage, Petitioner was not a United States citizen.

3. Petitioner was initially approved for Emergency Services Only (ESO).
4. On [REDACTED], the Department issued a notice to the Petitioner indicating he/she might have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. On [REDACTED], Petitioner requested a hearing.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

It should also be noted that the undersigned's jurisdiction is only to review whether the Department denied Petitioner's full MA coverage between January 2014 to May 2015, in accordance with federal and state laws and policies.

To be eligible for full coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (January 2014; July 2014; October 2014; and October 2015), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

In this case, on [REDACTED], Petitioner applied for MA benefits. On the date of MA application, Petitioner was not a United States citizen, but did indicate in the application that he has eligible immigration status. Furthermore, Petitioner initially received ESO

coverage. However, the Department indicated that it updated all benefit periods that previously had ESO coverage to full MA coverage. Shortly after the Department testified that benefits had been updated to reflect full MA coverage, the Department representative and interpreter became disconnected from the conference line. The Department re-accessed the call but the interpreter did not. The Department placed the Petitioner and the undersigned on hold in an attempt to reach the interpreter. The Petitioner and undersigned remained on the call for an extended period of time. At some point the Petitioner also disconnected from the call. Subsequently, the undersigned also disconnected the call.

Based on the foregoing information along with testimony from the Department indicating that it updated all benefit periods that previously had been ESO coverage to full MA coverage, it is found that the Department properly determined Petitioner's immigration status when determining MA eligibility.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did properly determine Petitioner's immigration status or citizenship when determining MA eligibility.

### **DECISION AND ORDER**

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
