ADMINISTRATIVE LAW JUDGE: Eric Feldman

**HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED], to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits and, as such, allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in her residence to the Department.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. Respondent began using FAP benefits outside of the State of Michigan beginning in November 2014.
7. The OIG indicates that the time period they are considering the fraud period is [REDACTED].
8. During the alleged fraud period, Respondent was issued \$3,719 in FAP benefits from the State of Michigan.
9. During the alleged fraud period, Respondent was issued FAP benefits from the State of Georgia.
10. This was Respondent's first alleged IPV.
11. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.
12. On or around [REDACTED], Respondent signed a Request for Waiver of Disqualification Hearing. See Exhibit B, pp. 1-2.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP

pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

Effective [REDACTED] the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October 2015), pp.12-13.

As a preliminary matter, the Department's OIG Investigation Report indicated that this was Respondent's second alleged IPV. See Exhibit A, p. 4. However, the Department presented a "National IPV Sanction – Inquiry" document that showed that Respondent has had no previous IPV sanctions. See Exhibit A, p. 59. As such, the Department failed to present any documentary evidence showing that Respondent had any previous IPV's and the undersigned finds that this is Respondent's first alleged IPV. See BAM 720, p. 16.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she failed to update residency information for the purpose of receiving FAP benefits from more than one state.

A person cannot receive FAP in more than one state for any month. BEM 222 (July 2013), p. 3. Out-of-state benefit receipt or termination may be verified by one of the following: DHS-3782, Out-of-State Inquiry; Letter or document from other state; or Collateral contact with the state. BEM 222, p. 4.

A person is disqualified for a period of 10 years if found guilty through the administrative hearing process, convicted in court or by signing a repayment and disqualification agreement (such as a DHS-826, Request for Waiver of Disqualification Hearing, or DHS-830, Disqualification Consent Agreement,) of having made a fraudulent statement or representation regarding his identity or residence in order to receive multiple FAP benefits simultaneously. BEM 203 (January 2015), p. 1.

Shortly after commencement of the hearing, it was discovered that Respondent signed a Request for Waiver of Disqualification Hearing, in which she did not admit that the facts as presented are correct. See Exhibit B, pp. 1-2. However, Respondent chose to sign this waiver request and understood that she would be disqualified from the programs listed on the notice. See Exhibit B, p. 2. The client/authorized representative (AR) is determined to have committed an IPV by signing a DHS-826, Request for Waiver of Disqualification Hearing, or DHS-830, Disqualification Consent Agreement, or other recoupment and disqualification agreement form. BAM 720, p. 2. Because Respondent signed the Request for Waiver of Disqualification Hearing, it is established that Respondent committed a FAP IPV. See Exhibit B, pp. 1-2 and BAM 720, p. 2. As such, the undersigned will not further address the IPV portion of this hearing decision.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 15; BEM 708 (April 2014), p. 1. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of

benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708, p. 1. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is subject to a ten-year disqualification under the FAP program. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 8.

In the present case, the evidence established that Respondent received concurrent benefits (Michigan and Georgia) from [REDACTED], which she was not eligible to receive. See Exhibit A, pp. 50 and 57-58. Thus, the Department is entitled to recoup \$3,719 of FAP benefits it issued to Respondent for [REDACTED].

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of FAP benefits in the amount of \$3,719.

The Department is **ORDERED** to initiate recoupment/**collection** procedures for the amount of \$3,719 in accordance with Department policy.

It is **FURTHER ORDERED** that Respondent be personally disqualified from participation in the FAP program for 10 years.
