HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on March 30, 2016, from Lansing, Michigan. The Petitioner was represented by [REDACTED], husband. [REDACTED], the Petitioner, appeared and testified. The Department was represented by [REDACTED], Eligibility Specialist. [REDACTED], [REDACTED], provided interpretation services during the hearing.

During the hearing proceedings, the Department's Hearing Summary packet for Petitioner's case was admitted as Department Exhibit A, pp. 1-28.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On August 30, 2013, Petitioner applied for MA. (Department Exhibit A, pp. 4-22)

2. On the August 30, 2013, MA application, it was not marked that Petitioner was a citizen or had eligible immigration status. (Department Exhibit A, p. 9)
3. Petitioner's application was initially approved for Emergency Services Only (ESO) MA coverage for August 2013 and ongoing. (Department Exhibit A, pp. 26-27)
4. Petitioner has been a permanent resident since July 11, 2013. (Exhibit A, pp. 9 and 28)
5. On September 4, 2015, Petitioner filed a hearing request contesting the Department's determination. (Department Exhibit A, p. 2)
6. The Department reviewed the case and determined that Petitioner was not eligible for full MA coverage during the relevant time period because she did not meet immigration status or citizenship requirements, and that Petitioner was not eligible for full MA for a verification period because on the application it was not marked that Petitioner was a citizen or had eligible immigration status.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the denial of full MA coverage. (Department Exhibit A, p. 2)

To be eligible for full MA coverage a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (January 1, 2014), p. 2.

For MA, an individual under specific immigration statuses, including permanent resident alien, is limited to emergency services for the first five years in the U.S. (BEM 225, pp. 7-8)

When an applicant for Medicaid claims to be a U.S. citizen or to have qualified immigrant status, and all other eligibility factors are met, certify benefits. Once the case

has been open and coverage entered in Bridges, verification of citizenship must be completed. Attempt to verify citizenship through a data match such as the Social Security Administration or a DCH vital records match. MAGI- related applicants will have citizenship and identity verified if the application comes to DHS via the Federally Facilitated Marketplace (FFM) or MAGI rules engine. If there is a discrepancy with the information or it is not available then contact with the beneficiary is necessary; see BEM 221 and 225. BAM 130, (October 1, 2014), p. 4.

On August 30, 2013, Petitioner applied for MA. (Department Exhibit A, pp. 4-22) Petitioner's application was initially approved for Emergency Services Only (ESO) MA coverage for August 2013 and ongoing. (Department Exhibit A, pp. 26-27)

On the August 30, 2013, MA application, it was not marked that Petitioner was a citizen or had eligible immigration status. (Department Exhibit A, p. 9) Accordingly, the BAM 130 policy allowing for full MA coverage to be certified pending verification would not have applied when Petitioner's application was initially processed.

Further, the Department properly determined that Petitioner was not eligible for full MA coverage during the relevant time period because she did not meet immigration status or citizenship requirements found in BEM 225. Petitioner has been a permanent resident since July 11, 2013. (Exhibit A, pp. 9 and 28) Under the BEM 225 policy, she is limited to emergency services for the first five years in the U.S.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department properly determined Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
