HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on September 29, 2016, from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG). Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUE

Whether Respondent engaged in trafficking Food Assistance Program (FAP) benefits in the amount of \$ [REDACTED] ?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) Respondent was an ongoing recipient of Food Assistance Program (FAP) benefits. Respondent was issued the "How To Use Your Michigan Bridge Card" booklet at the same time as he was issued an Electronic Benefit Transfer Card. The booklet provided Respondent with notice of the Food Assistance Program rules and consequences for breaking those rules.
- (2) In December 2012, a USDA-FNS investigation determined that the [REDACTED] and [REDACTED] were trafficking Food Assistance Program (FAP) benefits. The

determination was based on analysis of the store's Electronic Benefit Transfer (EBT) card transactions, the inventory and mix of authorized items carried at the store, and the transaction records of similar stores in the same geographic area as the store.

- (3) Between April 1, 2012 and September 30, 2012 Respondent's Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) card was used for transactions at the [REDACTED] and/or [REDACTED]. The timing and amount of Respondent's transactions were in a pattern and manner which does not reflect normal purchases for the inventory and mix of authorized items carried at the [REDACTED] and [REDACTED]. The total of Respondent's trafficking transactions is \$ [REDACTED].
- (4) On December 21, 2015, the Office of Inspector General submitted the agency request for hearing of this case

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1997 AACS R 400.3001-3015.

In this case, the Department has requested a disqualification hearing to establish an over-issuance of benefits as a result of Food Assistance Program (FAP) trafficking and the Department has asked that Respondent be disqualified from receiving benefits. Department policies provide the following guidance and are available on the internet through the Department's website.

Bridges Administration Manual (BAM) 720 Intentional Program Violation governs the Department's actions in this case. It provides in relevant part:

FAP Only

IPV is suspected for a client who is alleged to have trafficked FAP benefits.

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked.

OVER-ISSUANCE AMOUNT

FAP Trafficking

The OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

The court decision.

The individual's admission.

Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

IPV Hearings

FIP, SDA, CDC, MA and FAP

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

Exception: For FAP only, OIG will pursue an IPV hearing when correspondence was sent using first class mail and is returned as undeliverable.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.

In this case the Department has submitted evidence which shows that Respondent used his EBT card for transactions at an establishment that engaged in FAP trafficking. The evidence also shows that Respondent's transactions were in a pattern and manner which does not reflect normal purchases for the inventory and mix of authorized items carried at the [REDACTED] and [REDACTED]. This constitutes clear and convincing evidence that Respondent's trafficked \$ [REDACTED] of Food Assistance Program (FAP) benefits.

DISQUALIFICATION

In accordance with 7 CFR §273.16(e)(8)(i), BAM 720 states that a court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits.

Clients who commit an IPV are disqualified for a standard disqualification period of one year for the first IPV, two years for the second IPV and a lifetime disqualification for the third IPV.

A detailed analysis of the evidence presented, applicable Department policies, and reasoning for the decision are contained in the recorded record.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has established by clear and convincing evidence that Respondent engaged in Food Assistance Program (FAP) trafficking in the amount of \$ [REDACTED] which the Department is entitled to recoup in accordance with Department policies.

This is Respondent's 1st Food Assistance Program (FAP) Intentional Program Violation (IPV) and the Department must disqualify Respondent from receiving Food Assistance Program (FAP) benefits in accordance with 7 CFR §273.16(e)(8)(i) and Bridges Administration Manual (BAM) 720.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHeld.
