HEARING DECISION

ISSUE

Did the Department of Health and Human Services (Department) properly deny the Claimant's request for retroactive Medical Assistance (MA) for June of 2015?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On August 17, 2015, the Department received the Claimant's request for retroactive Medical Assistance (MA) for June of 2015.
2. On September 3, 2015, the Department denied retroactive Medical Assistance (MA) for June of 2015.
3. On October 22, 2015, the Department received the Claimant's request for a hearing protesting the denial of Medical Assistance (MA).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services

Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2015).

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15. Department of Human Services Bridges Eligibility Manual (BEM) 505 (July 1, 2014), pp 7-8.

MA-only eligibility is determined on a calendar month basis. Unless policy specifies otherwise, circumstances that existed, or are expected to exist, during the calendar month being tested are used to determine eligibility for that month. When determining eligibility for a future month, assume circumstances as of the processing date will continue unchanged unless you have information that indicates otherwise. Department of Human Services Bridges Eligibility Manual (BEM) 105 (October 1, 2014), p 2.

Department policy is consistent with federal regulations under 42 CFR § 435.603(h) that state:

Financial eligibility for Medicaid for applicants, and other individuals not receiving Medicaid benefits at the point at which eligibility for Medicaid is being determined, must be based on current monthly household income and family size.

The income limit to participate in the Healthy Michigan Plan (HMP) is 133% of the federal poverty level. Department of Health and Human Services Reference Table Manual (RFT) 246 (April 1, 2014), p 1.

Modified adjusted gross income (MAGI) is a methodology for how income is counted and how household composition and family size are determined. It is based on federal tax rules for determining adjusted gross income. It eliminates asset tests and special deductions or disregards. Every individual is evaluated for eligibility based on MAGI rules. The MAGI rules are aligned with the income rules that will be applied for determination of eligibility for premium tax credits and cost-sharing reductions through exchanges. The 5% disregard is the amount equal to 5% of the Federal Poverty Level for the applicable family size. It is not a flat 5% disregard from the income. The 5% disregard shall be applied to the highest income threshold. The 5% disregard shall be applied only if required to make someone eligible for Medicaid.¹

Household income is the sum of the MAGI-based income of every individual included in the individual's household, minus an amount equivalent to 5 percentage points of the Federal poverty level for the applicable family size. 42 CFR 435.603.

On August 17, 2015, the Department received the Claimant's request for retroactive MA benefits for June of 2015.

The Department's witness testified that the Department determined that in June of 2015, the Claimant received two bi-weekly paychecks from one employer in the gross amounts of \$ [REDACTED] and \$ [REDACTED]. The witness also testified that the Claimant received two bi-weekly paychecks from another employer in the amounts of \$ [REDACTED] and \$ [REDACTED]. Multiplying the average of these bi-weekly paychecks by the 2.15 conversion factor results in a gross monthly income of \$ [REDACTED].

This Administrative Law Judge finds that if a gross monthly income of \$ [REDACTED] is reduced by 5% of the monthly federal poverty level as directed by the MAGI eligibility manual, the resulting monthly income is less than 133% of the federal poverty level, which is \$ [REDACTED] for a group of one.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it determined that the Claimant is not eligible for retroactive Medical Assistance (MA) for June of 2015 based on his income.
