ADMINISTRATIVE LAW JUDGE: Jonathan Owens

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on January 7, 2016, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 22, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to accurately report drug related felonies.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is December 1, 2011, through October 31, 2014, (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was Respondent's **first** alleged IPV.
10. A Notice of Hearing was mailed to Respondent at the last known address and **was** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720; ASM 165.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700; BAM 720.

DRUG-RELATED FELONY

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times will be permanently disqualified if both offenses occurred after August 22, 1996. BEM 203.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the alleged fraud was found by an Out-of-State Match. An Electronic Benefit Transfer (EBT) History Report was completed. According to the report, the Respondent used his EBT card to make purchases in [REDACTED] from [REDACTED], to [REDACTED]; [REDACTED], to [REDACTED]; and from [REDACTED], to [REDACTED]. A LexisNexis Report was completed, and it shows the Respondent has been associated with several addresses in the State of [REDACTED] in 2014. The [REDACTED] Department of Human Services was contacted to determine if the Respondent received assistance in the State of [REDACTED]. According to the information received, the Respondent applied for Food Stamps on [REDACTED], and was denied on [REDACTED]. There are no records for the Respondent receiving benefits in the State of [REDACTED].

Also, according to LexisNexis, the Respondent had a drug conviction in [REDACTED]. A criminal background check was completed; and according to the information obtained, the Respondent has had two felony drug convictions since 1997. The information obtained indicates that the Respondent plead guilty to a 2008 felony drug charge. He plead guilty to Felony Controlled Substance Delivery/Manufacture Methamphetamine/Ecstasy. In [REDACTED] the Respondent was found guilty of a [REDACTED] felony drug charge. He was found guilty of Attempted Felony, Controlled Substance DEL/MFG (Cocaine, Heroin or Another Narcotic) Less Than 50 Grams. The Respondent completed four DHS-1171 Assistance Applications for the FAP. The drug convictions were also confirmed by documentation from the [REDACTED] District Court.

On the DHS-1171 dated [REDACTED], and [REDACTED], the Respondent indicated that he had been convicted of a drug felony. On the DHS-1171 dated [REDACTED], and [REDACTED], the Respondent indicated that he had not been convicted of a drug felony.

The Petitioner indicated the Respondent had no prior IPV convictions on record.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708. Clients are

disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720.

In this case, the Petitioner has demonstrated by clear and convincing evidence the Respondent was aware of the need to report Felony Drug Convictions. The Petitioner has demonstrated the Respondent failed to report all of his Felony Drug Convictions. The Petitioner requested a 12-month disqualification even though policy would bar the Respondent permanently from receiving FAP benefits.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, the Respondent's failure to report all of his Felony Drug Convictions did result in an OI in FAP benefits. The Petitioner is entitled to recoup the amount of benefits paid to the Respondent as a result of the willful act of withholding necessary information.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits in the amount of \$ [REDACTED] from the FAP program.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of **12 months**.
