ADMINISTRATIVE LAW JUDGE: Michael J. Bennane

# HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on November 18, 2015, from Detroit, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG). The Respondent was represented by Respondent.

## **ISSUES**

- Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
- 2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
- 3. Should Respondent be disqualified from receiving benefits for 12 months?

## FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- The Department's OIG filed a hearing request on August 29, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
- The OIG has requested that Respondent be disqualified from receiving program benefits.

- 3. Respondent was a recipient of FAP and MA benefits issued by the Department.
- 4. Respondent **was** aware of the responsibility to notify the Department of any changes in her circumstances that might affect her benefits.
- 5. There is no evidence that the Respondent **had** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
- 6. The Department's OIG indicates that the time period it is considering the fraud period is February 1, 2015, through June 30, 2015, (fraud period).
- 7. During the fraud period, Respondent was issued \$ in FAP benefits and \$ in MA coverage by the State of Michigan; and the Department alleges that Respondent was entitled to \$ in such benefits during this time period.
- 8. The Department alleges that Respondent received an OI in FAP and MA benefits in the amount of \$ \_\_\_\_\_\_\_
- 9. This was Respondent's **first** alleged IPV.
- 10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the U.S. Post Office as undeliverable

## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
  - the total amount is less than \$500, and
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - > the alleged fraud is committed by a state/government employee.

BAM 720 (October, 2014), p. 12.

# **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May, 2014), p. 12; BAM 720, p. 2

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1, (emphasis in original); see also 7 CFR 273(e)(6). Clear and

convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

## The FAP Issue

In this case, the Respondent continued to use her Michigan issued FAP benefits after moving to the state of

Such usage is in violation of Departmental policy and is an IPV. (BEM 220, July 2014).

# The MA Issue

With regards to the MA overissuance, BAM 710, pg. 2, states that the amount of the overissuance in most cases is the "amount of the MA payments." However, BAM 710 does not define the term "MA payments."

A plain reading of the term would suggest that the term "MA payments" means the amount the Department paid to medical providers for respondent's MA benefits; this amount would not include the cost of administering the MA program for DHHS client.

The Department, as support for their MA overissuance contention, submitted a list of the premiums paid by the Department for administering respondent's inclusion in the MA program.

The undersigned declines to find an IPV for this action and find this amount as an overissuance. After researching both state and federal law, including the Code of Federal Regulations, the undersigned can find no support allowing for the recoupment of administrative costs (such as premiums) for a client error or IPV in the MA program. BAM 710 contemplates specifically recouping differences in deductibles when the deductible amount is the result of a client error or IPV; such a recoupment would be recouping specific payments for treatment and care under the MA program. There is no mention of administrative costs in policy, or state or federal law, and as such, the undersigned cannot find that a request to recoup such costs is lawful absent specific policy allowing it.

As policy does not specifically define MA payments to include administrative premium costs, the undersigned finds that the Department improperly requested recoupment of such costs and that they are not recoverable as a MA OI.

## **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 13. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 13. A disqualified recipient remains a member of an active group as long as he lives

with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Department is requesting a disgualification period of 12 months for the FAP IPV.

# Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Department provided documentation of the Respondent's use of Michigan issued FAP benefits, beginning use out of Michigan use February 1, 2015, through June 30, 2015, and continuing till the Respondent's benefits were used in their entirety.

## **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

- 1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
- Respondent did receive an OI of program benefits in the amount of \$ from the following program(s) FAP.

The Department is ORDERED to initiate recoupment/collection procedures for the in accordance with Department policy. amount of \$

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
