**IN THE MATTER OF:**

**MAHS Docket No. 15-018600 HHS**

Appellant.

**DECISION AND ORDER**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon the Appellant's request for a hearing.

After due notice, a telephone hearing was held on ██████████. Appellant appeared and testified on her own behalf. ██████████, Appeals Review Officer, represented the Department. ██████████ Adult Services Worker (ASW) appeared as a witness for the Department.

**ISSUE**

Did the Department properly deny Appellant's Home Help Services (HHS) application because Appellant failed to meet her Medicaid spend-down?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On ██████████, the Appellant was referred to the Department for HHS. (Dept Ex. A, p 9).
2. In reviewing Appellant's application, the ASW noted that Appellant had Medicaid with a monthly deductible, or spend-down, of ██████████ which had not been met. (Dept Ex. A, p 10; Testimony).
3. Department policy requires Medicaid eligibility in order to receive HHS, and clients with a monthly spend-down are not eligible until they have met their spend-down obligation. (Adult Services Manual (ASM) 105, ██████████, pages 1-2 of 3).
4. The Department's ASW found no evidence that Appellant had met her spend-down. (Testimony).

5. On ██████████, the Department sent Appellant an Advance Negative Action Notice informing her that the HHS she was receiving would be denied because she had an unmet monthly Medicaid spend-down. (Dept Ex. A, p 2; Testimony).
6. On ██████████ the Appellant's Request for Hearing was received by the Michigan Administrative hearing System. (Dept Ex. A, p 4).

### **CONCLUSIONS OF LAW**

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a physician and may be provided by individuals or by private or public agencies.

The Adult Services Manual (ASM) addresses eligibility for Home Help Services:

#### **Requirements**

Home help eligibility requirements include **all** of the following:

- Medicaid eligibility.
- Certification of medical need.
- Need for service, based on a complete comprehensive assessment (DHS-324) indicating a functional limitation of level 3 or greater for activities of daily living (ADL).
- Appropriate Level of Care (LOC) status.

#### **Medicaid/Medical Aid (MA)**

The client may be eligible for MA under one of the following:

- All requirements for Medicaid have been met.
- MA deductible obligation has been met.

The client must have a scope of coverage of either:

**Docket No. 15-018600 HHS**  
**Decision and Order**

- 1F or 2F.
- 1D or 1K (Freedom to Work).
- 1T (Healthy Kids Expansion).

Clients with a scope of coverage 20, 2C or 2B are **not** eligible for Medicaid until they have met their MA deductible obligation.

**Note:** A change in the scope of coverage in Bridges will generate a system tickler in ASCAP for active services cases.

#### Medicaid Personal Care Option

Clients in need of home help personal care services may become eligible for MA under the Medicaid personal care option.

Discuss this option with the client and coordinate implementation with the eligibility specialist.

#### Conditions of eligibility:

- The client meets all Medicaid eligibility factors except income.
- An independent living services case is open.
- The client is eligible for home help services.
- The cost of personal care services is **more** than the MA excess income amount.

If **all** the above conditions have been satisfied, the client has met MA deductible requirements. The adult services specialist can apply the personal care option in ASCAP. The deductible amount is entered on the **MA History** tab of the Bridges **Eligibility** module in ASCAP.

Use the DHS-1210, Services Approval Notice to notify the client of home help services approval when MA eligibility is met through this option. The notice must inform the client that the home help payment will be affected by the deductible amount, and that the client is responsible for paying the provider the MA deductible amount each month.

Do **not** close a case eligible for MA based on this policy option if the client does not pay the provider. It has already been ensured that MA funds will not be used to pay the

client's deductible liability. The payment for these expenses is the responsibility of the client.

Changes in the client's deductible amount will generate a system tickler from Bridges.

MA eligibility under this option **cannot** continue if the cost of personal care becomes **equal to or less than** the MA excess income amount.

*Adult Services Manual (ASM) 105, 11-1-2011 pages 1-2 of 3*

Department policy requires an HHS participant to have full coverage Medicaid or have met the monthly Medicaid spend-down in order to be eligible for the HHS program. Here, the ASW testified that there was no evidence that Appellant had met her spend-down.

Appellant testified that the only reason she had asked for the hearing was to find out whether her in-home helper was going to get paid for the first █████ weeks of █████. The ASW testified that because the in-home helper had not completed the process until █████ Appellant would not be receiving HHS for the first █████ weeks of █████.

The Department's documentation establishes that Appellant had an unmet Medicaid spend-down in █████ and denial of her application for HHS was appropriate.

**DECISION AND ORDER**

The Administrative Law Judge, based on the above findings of fact and conclusions of law, finds that the Department properly denied Appellant's HHS application based on the information available at that time.

**IT IS THEREFORE ORDERED THAT:**

The Department's decision is AFFIRMED.
