## **ISSUE**

Did the Claimant present an issue that falls within the jurisdiction of the Michigan Administrative Hearing System (MAHS)?

## FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

- 1. The Claimant is an ongoing Medical Assistance (MA) and Medicare Savings Program (MSP) recipient.
- 2. On November 16, 2015, the Department received the Claimant's request for a hearing.

## CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients have the right to contest a department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness. The Michigan Administrative Hearing System (MAHS) may grant a hearing for any of the following:

- Denial of an application and/or supplemental payments.
- Reduction in the amount of program benefits or service.
- Suspension or termination of program benefits or service.
- Restrictions under which benefits or services are provided.
- Delay of any action beyond standards of promptness.
- For FAP only, the current level of benefits or denial of expedited service. Department of Human Services Bridges Administrative Manual (BAM) 600 (October 1, 2015), pp 3-4.

A request for hearing must be in writing and signed by the claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (October 1, 2015), p. 6, provides in relevant part as follows:

The client or authorized hearing representative has 90 calendar days from the date of the written notice of case action to request a hearing. The request must be received anywhere in DHS within the 90 days.

The Claimant is an ongoing MA and MSP recipient. The Department presented substantial evidence that the Claimant remains eligible for benefits and there has been no loss of benefits. On September 17, 2015, the Department sent the Claimant a Health Care Coverage Determination (DHS-1606) showing a closure of benefits. This notice was not a closure of all MA benefits and the Claimant was only moved from one category to another category of MA.

<u>KS</u>/ This Administrative Law Judge finds that the Claimant failed to present an issue that falls within the jurisdiction of the Michigan Administrative Hearing System (MAHS) and there is no action to be considered.

Claimant's hearing request is therefore **DISMISSED** for lack of jurisdiction.

IT IS SO ORDERED.
