SUPERVISING ADMINISTRATIVE LAW JUDGE-MANAGER: Jonathan Owens

ORDER DENYING REQUEST FOR REHEARING/RECONSIDERATION

This matter is before the undersigned Supervising Administrative Law Manager pursuant to the Petitioner's Request for Reconsideration of the Hearing Decision generated by the assigned Administrative Law Judge at the conclusion of the hearing conducted on February 4, 2016, and mailed on February 11, 2016, in the above-captioned matter.

The Rehearing and Reconsideration process is governed by the Michigan Administrative Code, Rule 792.11015, *et seq.*, and applicable policy provisions articulated in the Bridges Administrative Manual (BAM), specifically BAM 600, which provide that a rehearing or reconsideration must be filed in a timely manner consistent with the statutory requirements of the particular program that is the basis for the client's benefits application, and **may** be granted so long as the reasons for which the request is made comply with the policy and statutory requirements. MCL 24.287 also provides for rehearing if the hearing record is inadequate for judicial review.

A rehearing is a full hearing which **may** be granted if

- The original hearing record is inadequate for purposes of judicial review;
- There is newly discovered evidence **that existed** at the time of the original hearing that could affect the outcome of the original hearing decision.

A reconsideration is a paper review of the facts, law or legal arguments and any newly discovered evidence **that existed** at the time of the hearing. It **may** be granted when the original hearing record is adequate for purposes of judicial review and a rehearing is **not** necessary, but one of the parties is able to demonstrate that the Administrative Law Judge failed to accurately address all the relevant issues **raised in the hearing request**. Reconsiderations **may** be granted if requested for one of the following reasons:

- Misapplication of manual policy or law in the hearing decision;
- Typographical errors, mathematical error, or other obvious errors in the hearing decision that affect the substantial rights of the appellant
- Failure of the Administrative Law Judge to address other relevant issues in the hearing decision.

In the instant case, a Hearing Decision was issued in the above-captioned matter. The Administrative Law Judge (ALJ) issued a decision DISMISSING the Petitioner's request regarding Food Assistance Program benefits based upon the Department correcting the benefits prior to hearing, leaving no issue to resolve regarding Food Assistance Program benefits. Further, the ALJ AFFIRMED the Department of Health and Human Services' decision regarding the Petitioner's Medical Assistance benefits. The Petitioner submitted a letter indicating a desire for a rehearing or reconsideration of the hearing decision. The Petitioner's request fails to demonstrate a basis that would allow for such relief. The Petitioner's letter does express his displeasure with the ALJ ruling, but the letter fails to provide any of the above criteria necessary to move the request forward.

Accordingly, the Request for Rehearing/Reconsideration is **DENIED**.

IT IS SO ORDERED.
