HEARING DECISION

Pursuant to a September 8, 2014 federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing and accordingly this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a three-way telephone conference hearing was held on March 1, 2016, from Lansing, Michigan. Petitioner represented himself. The Department was represented by [REDACTED] (Eligibility Specialist).

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On September 12, 2014, Petitioner applied for MA benefits. On the application, Petitioner did not answer whether he was a U.S. citizen or whether he had eligible immigration status. [Exhibit 1, p. 6].
2. On September 15, 2014, the Department mailed Petitioner a Verification Checklist (DHS-3503) requesting a copy of his social security card and/or social security number (SSN). [Exh. 1, p. 15].

3. Petitioner failed to provide a copy of his SSN.
4. On the date of MA application, the Petitioner failed to provide verification of his citizenship or his SSN.
5. Beginning September 1, 2014, the Department approved Petitioner's MA application for Emergency Services Only (ESO) MA coverage. [Exh. 1, pp. 16-17].
6. In August, 2015, the Department issued a notice to the Petitioner indicating that he may have been denied full MA coverage based on immigration status between January 2014 and May 2015.
7. On September 14, 2015, Petitioner requested a hearing to dispute the decision to approve the application for MA ESO rather than full MA coverage. [Exh. 1, p. 2].

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the activation of ESO MA coverage. The Department contends that Petitioner did not complete all sections of his application and then failed to provide proper verification of his SSN.

Policy requires the Department determine the alien status of each non-citizen requesting benefits at application, member addition, redetermination and when a change is reported. BEM 225 (1-1-2014), p. 1.

To be eligible for full MA coverage, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225, p. 2. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

A person claiming U.S. citizenship is not eligible for ESO coverage. BEM 225, p. 2. U.S. citizenship must be verified with an acceptable document to continue to receive Medicaid. BEM 225, p. 2. [Emphasis added]. Citizenship/alien status is not an eligibility factor for emergency services only (ESO) MA. However, the person must meet all other eligibility factors, including residency. BEM 225, p. 2.

MA coverage is limited to emergency services for any: (1) persons with certain alien statuses or U.S. entry dates as specified in policy; (2) persons refusing to provide citizenship/alien status information on the application; and/or (3) persons unable or refusing to provide satisfactory verification of alien information. BEM 225, p. 3. All other eligibility requirements including residency **must** be met even when MA coverage is limited to emergency services. BEM 225, p. 3.

The coverage of a person who is unable to obtain verification of alien status or refuses to cooperate in obtaining it is limited to emergency services until verification is obtained. BEM 225, p. 20. [Emphasis added].

In this case, Petitioner testified that he was born in the U.S.; however, he failed to provide the Department with proper verification of his SSN. There is no evidence in the record to dispute this. Although Petitioner failed to provide verification of his SSN, at time of application and should not have been provided with ESO.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department **did** properly determine Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
