HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held via four-way telephone conference on March 10, 2016, from Detroit, Michigan. Petitioner appeared and asked on the record that his wife, [REDACTED], serve as his representative. The hearing proceeded with [REDACTED] serving as Petitioner's authorized hearing representative (AHR). The Department was represented by [REDACTED], Assistance Payment Worker. [REDACTED] served as translator (Spanish) during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On March 16, 2015 Petitioner applied for MA (Exhibit A, pp. 5-16).
2. On the date of MA application, Petitioner was not a United States citizen.

3. On March 18, 2015, the Department sent Petitioner a Health Care Coverage Determination Notice notifying him that he was eligible for Emergency Services Only (ESO) MA coverage effective March 1, 2015 (Exhibit A, pp. 20-21).
4. On an unknown date, the Department issued a notice to Petitioner indicating he may have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. On September 16, 2015, Petitioner requested a hearing (Exhibit A, p. 2).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the Department granting her ESO MA rather than full-coverage MA. To be eligible for full-coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (October 2014), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. Persons refusing to provide citizen/alien status information on the application or unable or refusing to provide satisfactory verification of alien information are limited to ESO coverage. BEM 225, p. 3. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

In his March 16, 2015 MA application, Petitioner did not respond to questions concerning whether he was a U.S. or a naturalized citizen or had eligible immigration status (Exhibit A, p. 9). Because Petitioner did not identify himself as having eligible alien status, the Department acted in accordance with Department policy when it concluded that he was eligible for ESO coverage only. The Department presented documentation that Petitioner received ESO coverage from March 1, 2015 ongoing (Exhibit A, pp. 18-19) and testified that this coverage continued as of the hearing date. Therefore, the Department established that it provided Petitioner with ESO coverage in accordance with the Health Care Coverage Determination Notice and Department policy.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the properly determined Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
