- 5. On October 23, 2015, Petitioners requested hearings (Exhibit A, p. 2; Exhibit B, p. 2).

# **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioners requested a hearing disputing the Department granting them ESO MA rather than full-coverage MA. To be eligible for full-coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (October 2014), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. Persons refusing to provide citizen/alien status information on the application or unable or refusing to provide satisfactory verification of alien information are limited to ESO coverage. BEM 225, p. 3. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

The Department changed coverage back to ESO beginning December 1, 2015. The evidence presented by the Department, namely the copy of her permanent residency card, established that she had entered the U.S. from in June 2013 with a category FX1 (Exhibit B, p. 4). There was no eligible asylum or refugee status identified on the permanent residency card. Further, confirmed that neither he nor his wife had served in the U.S. military. Because had not been a resident alien for 5 years, had not served in the U.S. military, and did not have asylum or refugee status, she was not eligible for full-coverage MA.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department properly determined Petitioners' immigration status or citizenship when determining MA eligibility.
