HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a 4-way telephone hearing was held on March 17, 2016, from Detroit, Michigan. The Petitioner was represented by [REDACTED] the Petitioner's Authorized Hearing Representative (AHR). The Petitioner also appeared. The Department was represented by [REDACTED], Eligibility Specialist.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On January 27, 2015, Petitioner applied for MA. Exhibit 1.
2. On the date of MA application, Petitioner was a United States (U.S.) citizen and was [REDACTED] years of age. Exhibit 1.

3. The Department issued a Health Care Coverage Determination Notice on November 2, 2015, finding the Petitioner was eligible for full coverage MA effective January 1, 2015, through November 30, 2015.
4. On an unknown date, the Department issued a notice to the Petitioner indicating he/she might have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. On November 2, 2015, the Health Care Coverage Determination Notice, also closed the Petitioner's MA case for the reason that Petitioner was not under 21 years of age, pregnant or a caretaker of a minor child in her home, not over 65 years of age, blind or disabled. At the time of the Health Care Coverage Determination Notice, the Petitioner was [REDACTED] years of age. However, the issue regarding the case closure is not one that will be decided at the hearing as the action taken by the Department on November 2, 2015, occurred after the Petitioner's hearing request.
6. Petitioner requested a hearing on October 19, 2015.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the Department's determination that she was eligible for ESO MA and **denial** of full MA coverage. At the hearing, the Department presented an MA eligibility summary establishing that it activated full coverage MA beginning January 1, 2015, through November 2015. Exhibit 2.

At all times pertinent to the application and this matter, the Petitioner was a U.S. citizen and indicated the same on her MA application. Although the Department ultimately closed the Petitioner's MA case, that closure happened after the hearing request in this case, and thus, is not an issue to be decided in this matter as the hearing request dated October 19, 2015, predates the Department's closure action.

To be eligible for full MA coverage a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (October 1, 2015), p. 32.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department **did** properly determine Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**
