HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on March 31, 2016, from Lansing, Michigan. Participants on behalf of Petitioner included [REDACTED]. [REDACTED] (Hearing Facilitator) represented the Department of Health and Human Services (Department).

ISSUE

Did the Department of Health and Human Services (Department) properly denied the Petitioner's State Emergency Relief (SER) application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On January 19, 2016, the Department received the Petitioner's application for State Emergency Relief (SER) benefits seeking assistance with a past due property tax bill.
2. The Petitioner reported that he is not receiving any income.
3. On January 22, 2016, the Department notified the Petitioner that his State Emergency Relief (SER) application had been denied.
4. On February 1, 2016, the Department received the Petitioner's request for a hearing protesting the denial of his State Emergency Relief (SER) application.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The State Emergency Relief (SER) program is established by the Social Welfare Act, MCL 400.1-.119b. The SER program is administered by the Department (formerly known as the Department of Human Services) pursuant to MCL 400.10 and Mich Admin Code, R 400.7001-.7049.

Housing affordability is a condition of eligibility for State Emergency Relief (SER) and applies only to Relocation Services (ERM 303) and Home Ownership Services and Home Repairs (ERM 304). Total housing obligation means the total amount the SER group must pay for rent, house payment, mobile home lot rent, property taxes and required insurance premiums. Renters can have a higher total housing obligation if heat, electricity and/or water/cooking gas are included. The Department will authorize SER for services only if the SER group has sufficient income to meet ongoing housing expenses. An SER group that cannot afford to pay their ongoing housing costs plus any utility obligations will not be able to retain their housing, even if SER is authorized. The Department will deny SER if the group does not have sufficient income to meet their total housing obligation. The total housing obligation cannot exceed 75 percent of the group's total net countable income. Department of Health and Human Services Emergency Relief Manual (ERM) 207 (October 1, 2015), p 1.

On January 19, 2016, the Department received the Petitioner's application for SER benefits seeking assistance with a past due property tax bill. The Petitioner reported to the Department on his application for benefits that he is not receiving any income. Since the Petitioner is requesting assistance with property taxes, it is not disputed that his housing expenses exceed \$0. On January 22, 2016, the Department notified the Petitioner that his SER application had been denied.

Since the Petitioner has housing expenses but no income, the Department was acting in accordance with policy when it denied his SER application because the benefit would not resolve his housing affordability emergency.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Petitioner's State Emergency Relief (SER) application.

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
