HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on April 4, 2016, from Detroit, Michigan. The Department was represented by Meghan Kerr, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Family Independence Program (FIP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for FAP and FIP?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 3, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and FIP benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in income.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the FAP fraud period is [REDACTED] (FAP fraud period).
7. The Department's OIG indicates that the time period it is considering the FIP fraud period is [REDACTED] (FIP fraud period).
8. During the fraud period, Respondent was issued \$2,306 in FAP/FIP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$177 in such benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP/FIP benefits in the amount of \$2,129.
10. This was Respondent's first alleged IPV.
11. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260; MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a

and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (January 2016), pp. 12-13; ASM 165 (May 2013), pp. 1-2.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (January 2016), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01

Clients must report changes in circumstance that potentially affect eligibility or benefit amount. BAM 105 (October 2013), p. 9. Changes must be reported within 10 days of receiving the first payment reflecting the change. BAM 105, p. 9.

Income reporting requirements are limited to the following:

- Earned income:
 - Starting or stopping employment.
 - Changing employers.
 - Change in rate of pay.
 - Change in work hours of more than five hours per week that is expected to continue for more than one month.

- Unearned income:
 - Starting or stopping a source of unearned income.
 - Change in gross monthly income of more than \$50 since the last reported change.

BAM 105, p. 9.

In this case, the Department alleges that Respondent committed an IPV of her FAP and FIP benefits because (i) she failed to report that she received income from her employer while she reported being off due to medical leave to the Department (unearned income), and she failed to report that she had returned to her regular hourly employment (earned income).

Furthermore, the Department alleges that Respondent received an OI of \$2,129 during the alleged fraud period. See Exhibit A, p. 4. When a client group receives more benefits than it is entitled to receive, MDHHS must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 8.

However, the Department is unable to seek recoupment/collection of the FAP and FIP overissuances in the present disqualification hearing. The Department has already previously established the overissuances sought in this case as evidenced by the "Claim Search" document provided by the Department. See Exhibit B, pp. 1-3. The undersigned lacks the authority to readdress the overissuances sought in this case when it already has been established. Pursuant to BAM 700 to 725, the Department has remedies that it may seek for the previous overissuances established, there is no further order necessary to address the FAP and FIP overissuances.

Furthermore, there is no IPV present in this case. The Department has already chosen its remedy by designating Respondent's FAP and FIP overissuances as client error. See Exhibit B, pp. 1-3. The Department is now subsequently trying to change the classification from client error to an IPV error. However, the Department has already previously determined that Respondent committed only a client error of her FAP and FIP benefits. Therefore, there is no further findings to address and Respondent is not subject to any disqualification from the FAP/FIP programs.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. There is no IPV present in this case;
2. Respondent is not subject to any disqualification from the FAP/FIP programs; and
3. There is no recoupment/collection procedures present in this disqualification hearing.
