ISSUE

Did the Department of Health and Human Services (Department) properly close the Petitioner's Medical Assistance (MA) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Petitioner was an ongoing Medical Assistance (MA) recipient.
2. On December 15, 2015, the Department sent the Petitioner a Redetermination (DHS-1010) with a due date of January 4, 2016.
3. On January 22, 2016, the Department sent the Petitioner notice that Medical Assistance (MA) benefits would close effective March 1, 2016.
4. On February 2, 2016, the Department received the Petitioner's request for a hearing protesting the closure of Medical Assistance (MA) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (July 1, 2015), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (January 1, 2016), pp 1-9.

The Petitioner was an ongoing MA recipient when the Department initiated a routine review of his eligibility to receive continuing benefits. On December 15, 2015, the Department sent the Petitioner a Redetermination (DHS-1010) form requesting that it be completed and returned by January 4, 2016. On January 22, 2016, the Department had not received the Redetermination form and it notified the Petitioner that MA benefits would close effective March 1, 2016.

The Petitioner testified that he had just submitted an application for State Emergency Relief (SER) benefits and he thought that it would not be necessary to submit the same information again on the Redetermination form.

There are different eligibility criteria for MA and SER benefits. The Petitioner had a duty to respond to the Department's request for information and provide it in a timely manner. The Department was acting in accordance when it did not receive the Redetermination form.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Petitioner's Medical Assistance (MA) benefits.

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
