HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on April 05, 2016, from Lansing, Michigan. Participants on behalf of Petitioner included [REDACTED]. [REDACTED] (Hearing Facilitator) represented the Department of Health and Human Services (Department).

ISSUE

Did the Department of Health and Human Services (Department) properly close the Petitioner's Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Petitioner was an ongoing Medical Assistance (MA) recipient.
2. On December 15, 2015, the Department sent the Petitioner a Redetermination (DHS-1010) at his mailing address of record and requested that it be returned by January 4, 2016.
3. On January 16, 2016, the Department notified the Petitioner that it would close his Medical Assistance (MA) benefits as of February 1, 2016.
4. On February 8, 2016, the Department received the Petitioner's request for a hearing protesting the closure of her Medical Assistance (MA) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility and this includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (July 1, 2015), p 8.

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. The Department uses documents, collateral contacts, or home calls to verify information. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. When documentation is not available, or clarification is needed, collateral contact may be necessary. Department of Human Services Bridges Assistance Manual (BAM) 130 (January 1, 2016), pp 1-9.

The Petitioner was an ongoing MA recipient when the Department initiated a routine redetermination of his eligibility to receive continuing benefits. On December 15, 2015, the Department sent the Petitioner a Redetermination (DHS-1010) with a due date of January 4, 2016. On January 16, 2016, the Department had not received the completed Redetermination form and it notified the Petitioner that his MA benefits would close as of February 1, 2016.

The Petitioner testified that he did not receive the Redetermination (DHS-1010) form. The Petitioner testified that he had moved as of September 1, 2015, and reported his new address to the Department shortly after that. The Redetermination form was sent to his old address.

While a presumption arises that a letter with a proper address and postage will, when placed in the mail be delivered by the postal service, this presumption can be rebutted with evidence that the letter was not received. If such evidence is presented, as it was here, then a question of fact arises regarding whether the letter was received. [Citations

omitted.] Goodyear Tire & Rubber Co v Roseville, 468 Mich 947; 664 NW2d 751 (2003).

In this case, the Department presented substantial evidence that it mailed a Redetermination (DHS-1010) to the Petitioner at his address of record on December 15, 2015. No evidence was presented other than the Petitioner's testimony that he has ever reported his change of address to the Department. Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. This includes a change of address. Department of Human Services Bridges Assistance Manual (BAM) 105 (January 1, 2015), pp 1-20. The Petitioner failed to rebut the presumption that he received the Redetermination (DHS-1010) form.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Petitioner's Medical Assistance (MA) benefits for failure to provide the Department with information necessary to determine his eligibility to receive benefits.
