ADMINISTRATIVE LAW JUDGE: Kevin Scully

HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on April 20, 2016, from Lansing, Michigan. Participants on behalf of Petitioner included [REDACTED]. [REDACTED] represented the Department of Health and Human Services (Department).

ISSUE

Did the Department of Health and Human Services (Department) properly close the Petitioner's Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Petitioner was an ongoing recipient of Food Assistance Program (FAP) benefits.
2. The Department determined that the Petitioner is not eligible for Food Assistance Program (FAP) benefits on the basis of a Front End Eligibility (FEE) investigation report that indicates that he has been convicted of two or more drug related felonies. Exhibit A, pp 4-5.
3. On February 22, 2016, the Department notified the Petitioner that it would close his Food Assistance Program (FAP) benefits effective April 1, 2016.
4. On March 18, 2016, the Department received the Petitioner's request for a hearing protesting the closure of his Food Assistance Program (FAP) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996. Department of Health and Human Services Bridges Eligibility Manual (BEM) 203 (October 1, 2015), p 2.

The Department received a Front End Eligibility (FEE) investigation submitted by the Office of Inspector General (IOG) that indicates that the Petitioner is permanently disqualified from receiving FAP benefits for two or more convictions of drug related felonies occurring after August 22, 1996. On February 22, 2016, the Department notified the Petitioner that it would close his FAP benefits effective April 1, 2016.

The Department's representative testified that benefits were closed on the basis of the FEE investigation report.

The production of evidence to support the department's position is clearly required under BAM 600 as well as general case law (see e.g., *Kar v Hogan*, 399 Mich 529; 251 NW2d 77 [1976]). In *McKinstry v Valley Obstetrics-Gynecology Clinic, PC*, 428 Mich167; 405 NW2d 88 (1987), the Michigan Supreme Court addressed the issue of burden of proof, stating in part:

The term "burden of proof" encompasses two separate meanings. [citation omitted.] One of these meanings is the burden of persuasion or the risk of nonpersuasion. The other is the risk of going forward or the risk of nonproduction. The burden of producing evidence on an issue means the liability to an adverse ruling (generally a finding or a directed verdict) if evidence on the issue has not been produced. It is usually on the party who has pleaded the existence of the fact, but..., the burden may shift to the adversary when the pleader has discharged [its] initial duty. The burden of producing evidence is a critical mechanism[.]

The burden of persuasion becomes a crucial factor only if the parties have sustained their burdens of producing evidence and only when all of the evidence has been introduced.

McKinstry, 428 Mich at 93-94, quoting McCormick, Evidence (3d ed), Sec. 336, p. 946.

This Administrative Law Judge finds that the FEE investigation report is insufficient to establish that the Petitioner has two or more convictions for drug related felonies. Since the Department presented no evidence supporting the termination of FAP benefits other than this report, the Department has failed to establish that he is ineligible for FAP benefits.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it closed the Petitioner's Food Assistance Program (FAP) benefits.

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
