HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, telephone hearing was held on February 10, 2016, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] (Assistance Payments Supervisor) represented the Department of Health and Human Services (Department).

ISSUE

Did the Department of Health and Human Services (Department) properly determine the Claimant's eligibility for Medical Assistance (MA)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant is an ongoing Medical Assistance (MA) recipient.
2. The Claimant receives monthly Retirement, Survivors, and Disability Insurance (RSDI) in the gross monthly amount of [REDACTED]
3. The Claimant is eligible for Medicare benefits.
4. On November 4, 2015, the Department notified the Claimant that he was approved for Medical Assistance (MA) with a [REDACTED] monthly deductible effective December 1, 2015.
5. On November 13, 2015, the Department received the Claimant's request for a hearing.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Persons may qualify under more than one MA category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income. Department of Health and Human Services Bridges Eligibility Manual (BEM) 105 (October 1, 2014), p 2.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2015).

The Claimant was an ongoing MA recipient when he reported to the Department that he is eligible for Medicare benefits. The Claimant had been receiving full Medicaid benefits under the Healthy Michigan Program, but this program is not available for those that qualify for or are enrolled in Medicare.¹

The Department then evaluated the Claimant's eligibility for MA benefits under the AD-CARE, another full Medicaid category of MA. The Department determined that the Claimant's gross monthly income of [REDACTED] exceeds the [REDACTED] limit for a group of one to receive full MA under AD-CARE.

¹ Department of Health and Human Services Medicaid Provider Manual, section 1.1. This manual is available on the internet at <http://www.mdch.state.mi.us/dch-medicaid/manuals/medicaidprovidermanual.pdf>

The Department then evaluated the Claimant's eligibility for MA benefits under the G2S category.

A review of Claimant's case reveals that the Department budgeted correct amount of income received by the Claimant. Claimant's "protected income level" is [REDACTED], and this amount cannot be changed either by the Department or by this Administrative Law Judge. Department of Human Services Reference Table Manual (RFT) 240 (December 1, 2013), p 1. Department's determination that the Claimant has a \$593 deductible per month he must meet in order to qualify for MA for any medical expenses above is therefore correct.

The Claimant questioned why his monthly deductible is so high when he only exceeds the limit to receive full MA benefits under AD-CARE by only a few dollars.

The Claimant's grievance centers on dissatisfaction with the Department's current policy. The Claimant's request is not within the scope of authority delegated to this Administrative Law Judge. Administrative Law Judges have no authority to make decisions on constitutional grounds, overrule statutes, overrule promulgated regulations, or make exceptions to the department policy set out in the program manuals. Furthermore, administrative adjudication is an exercise of executive power rather than judicial power, and restricts the granting of equitable remedies. Michigan Mutual Liability Co. v Baker, 295 Mich 237; 294 NW 168 (1940).

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it Determined that the Claimant was no longer eligible for full Medical Assistance (MA) benefits and that the most beneficial category of MA benefits available to him requires a [REDACTED] monthly deductible.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
