HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on March 29, 2016, from Lansing, Michigan. Petitioner personally appeared and testified. The Department was represented by Eligibility Specialist [REDACTED] served as translator during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On May 12, 2015, Petitioner applied for Medicaid. (Dept Exh. A, pp 5-15).
2. On the date of Medicaid application, Petitioner was not a United States citizen.

3. Beginning March 2015, Petitioner's application was approved for Emergency Services Only (ESO) Medicaid coverage.
4. During the month of August 2015, the Department issued a notice to the Petitioner indicating she might have been denied full Medicaid coverage based on her immigration status between January 2014 and May 2015.
5. On September 4, 2015, Petitioner requested a hearing. (Dept Exh. A, p 2).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (Medicaid) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the Medicaid program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

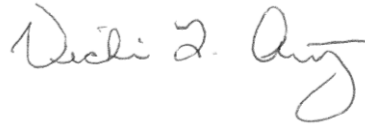

In this case, Petitioner requested a hearing disputing the ESO only Medicaid and denial of full Medicaid coverage.

To be eligible for full Medicaid coverage a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (10/1/2014), p. 1. Petitioner testified that she has been a permanent resident since 2006. At the time of application, Petitioner's member status was listed as a permanent resident, but Petitioner failed to submit documentation to support her status. As a result, Petitioner was granted only ESO Medicaid. Once this was explained to Petitioner, Petitioner stated she would forward a copy of her permanent residency card to her worker. The Department representative assured Petitioner that once the Department had proof of residency, her Medicaid status would be redetermined.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department did properly determine Petitioner's immigration status or citizenship when determining Medicaid eligibility, based on the information available at the time of application.

DECISION AND ORDER

Accordingly, the Department's determination about Medicaid eligibility based on immigration status is **AFFIRMED**.
