HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on March 30, 2016, from Detroit, Michigan. The Department was represented by [REDACTED] of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of FAP benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED] to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits and, as such, allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified for a period of 10 years from receiving FAP benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. On the Assistance Application signed by Respondent on [REDACTED] Respondent reported that she/he intended to stay in Michigan.
5. Respondent was aware of the responsibility to report changes in her residence to the Department.
6. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
7. Respondent began using FAP benefits outside of the State of Michigan beginning in [REDACTED].
8. The OIG indicates that the time period they are considering the fraud period is [REDACTED].
9. During the alleged fraud period, Respondent was issued \$659.00 in FAP benefits from the State of Michigan.
10. During the alleged fraud period, Respondent was also issued FAP benefits from the State of [REDACTED].
11. This was Respondent's first alleged IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), and Department of Health and Human Services Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of

Human Services) administers FIP pursuant to 45 CFR 233-260, MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Health and Human Services (formerly known as the Department of Human Services) administers the SDA program pursuant to 42 CFR 435, MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

Prior to October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, **or**
 - the alleged IPV involves FAP trafficking, **or**
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - the alleged fraud is committed by a state/government employee.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (July 2013), p 7; BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP benefits because she received Michigan-issued FAP benefits at the same time she was issued FAP benefits by Wisconsin. To be eligible for FAP benefits issued by the Department, an individual must be a Michigan resident. BEM 220 (July 2013), p. 1. For FAP purposes, a person is considered a resident while living in Michigan for purpose other than a vacation, even if he has no intent to remain in the State permanently or indefinitely. BEM 220, p. 1. A client who resides outside the State of Michigan for more than 30 days is not eligible for FAP benefits issued by the State of Michigan. BEM 212 (October 2013), p. 3.

In support of its contention that Respondent committed an IPV, the Department presented an application Respondent submitted to the Department on [REDACTED] in which Respondent acknowledged that she had received the Information Booklet advising her regarding Things You Must Do which explained reporting change of addresses and reporting change in residency. Additionally, the Department presented documentation from [REDACTED] which showed that Respondent began receiving FAP benefits in [REDACTED] in December 2013. Given that Respondent was required to report changes in residency, but failed to do so and also applied for benefits in [REDACTED] while simultaneously receiving benefits in Michigan, it is found that the Department has established that Respondent intentionally mislead the Department for the purpose of maintaining FAP program benefits.

Disqualification

A court or hearing decision that finds a client committed an IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 12.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (October 2009), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 13.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a disqualification under the FAP program.

Overissuance

Department policy holds that a client cannot receive FAP benefits in more than one state for any month. BEM 222 (July 2013), p. 3. Further, when a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Department is seeking to recoup benefits issued in Michigan from [REDACTED]. The Department alleged that the OI amount is \$659.00. The Department presented Respondent's benefit summary inquiry which showed the Michigan issued FAP benefits received from [REDACTED] in the total amount of \$659.00. Further, the Department presented correspondence showing that Respondent also received benefits in [REDACTED] from December 2013 through March 2013. While the correspondence from [REDACTED] did not show whether Respondent received benefits in [REDACTED] in April 2014, an individual must be a resident of Michigan to receive FAP benefits issued by the State of Michigan. There was no evidence presented that Respondent returned to Michigan in April 2014. Accordingly, the Department established that Respondent received an OI of FAP benefits from [REDACTED].

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$659.00 in FAP benefits from [REDACTED].

The Department is ORDERED to initiate recoupment procedures for the amount of \$659.00 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be personally disqualified from participation in the FAP program for 10 years.
