**SUPERVISING ADMINISTRATIVE LAW JUDGE-MANAGER: Jonathan W. Owens**

**ORDER DENYING REQUEST FOR REHEARING/RECONSIDERATION**

This matter is before the undersigned Supervising Administrative Law Manager pursuant to Respondent's Request for Reconsideration of the Hearing Decision generated by the assigned Administrative Law Judge at the conclusion of the hearing conducted on March 14, 2016, and mailed on April 13, 2016, in the above-captioned matter.

The Rehearing and Reconsideration process is governed by the Michigan Administrative Code, Rule 792.11015, *et seq.*, and applicable policy provisions articulated in the Bridges Administrative Manual (BAM), specifically BAM 600, which provide that a rehearing or reconsideration must be filed in a timely manner consistent with the statutory requirements of the particular program that is the basis for the client's benefits application, and **may** be granted so long as the reasons for which the request is made comply with the policy and statutory requirements. MCL 24.287 also provides for rehearing if the hearing record is inadequate for judicial review.

A rehearing is a full hearing which **may** be granted if

- The original hearing record is inadequate for purposes of judicial review;
- There is newly discovered evidence **that existed** at the time of the original hearing that could affect the outcome of the original hearing decision.

A reconsideration is a paper review of the facts, law or legal arguments and any newly discovered evidence **that existed** at the time of the hearing. It **may** be granted when the original hearing record is adequate for purposes of judicial review and a rehearing is **not** necessary, but one of the parties is able to demonstrate that the Administrative Law Judge failed to accurately address all the relevant issues **raised in the hearing request**. Reconsiderations **may** be granted if requested for one of the following reasons:

- Misapplication of manual policy or law in the hearing decision;
- Typographical errors, mathematical error, or other obvious errors in the hearing decision that affect the substantial rights of the appellant
- Failure of the Administrative Law Judge to address other relevant issues in the hearing decision.

In the instant case, a Hearing Decision was issued in the above-captioned matter. Respondent requested a hearing because she disagreed with the Department's decision. Following a hearing, the Administrative Law Judge (ALJ) issued a decision AFFIRMING the Department of Health and Human Services' decision to recoup Food Assistance Program benefits. Respondent now requests a rehearing or reconsideration of the ALJ's decision.

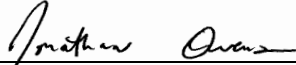

Specifically, Respondent asserts the overpayment was caused by Department error and, secondly, the error was not dealt with in a timely manner. A review of the request demonstrates that it is not based on the ALJ's application of a law or policy, but consists of an attempt to re-litigate the hearing itself.

After a thorough review of the request, it is clear that Respondent failed to articulate a basis for the granting of the request for either a rehearing or reconsideration.

Accordingly, the Request for Rehearing/Reconsideration is **DENIED**.

**IT IS SO ORDERED.**
