ADMINISTRATIVE LAW JUDGE: Michael J. Bennane

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Family Independence Program (FIP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for 12 months?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 15, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FIP and FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to notify the Department of any changes in her circumstances that might affect her benefits.
5. Respondent **did not** have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED], through [REDACTED], (fraud period).
7. During the fraud period, Respondent was issued \$ [REDACTED] in FAP benefits and \$ [REDACTED] in FIP benefits by the State of Michigan; and the Department alleges that Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP and FIP benefits in the amount of \$ [REDACTED].
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the U.S. Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. No. 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Department of Human Services) administers FIP pursuant to 45 CFR 233-260; MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The

Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (October, 2014), p. 12.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p. 7; BAM 720, p. 2.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the store in question is [REDACTED], [REDACTED]
[REDACTED]

[REDACTED] was a small storefront operation with a limited inventory of qualified food stock and storage space and one checkout counter with no shopping carts or electronic scanning devices. The client's Electronic Benefits Transfer (EBT) purchase histories for the store showed numerous transactions indicative of trafficking, including multiple transactions in a short time period and high dollar and even dollar transactions.

The EBT Bridge Card transaction history of the above-listed client indicates their FAP benefits were trafficked at the [REDACTED].

Statements were obtained from numerous trafficking suspects indicating that they had never personally been at the market but had sold their cards for \$ [REDACTED] for every \$ [REDACTED] of FAP benefits to persons they met on the street. The owners of the [REDACTED] [REDACTED] are also currently cooperating with the Federal authorities and have admitted that they were involved in FAP trafficking at the [REDACTED].

On [REDACTED] [REDACTED], the owner of the [REDACTED], was found guilty of conspiracy to commit Food Stamp fraud in the U.S. Federal Court, Detroit, MI. It was determined that [REDACTED] and others, including [REDACTED], trafficked more than \$ [REDACTED] in Food Stamp benefits through the market.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, p. 13. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 13. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, this is the Respondent's first alleged IPV; and the OIG has requested a disqualification period of 12 months for both FAP and FIP.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

The FAP Issue

In this case, the record shows that the Respondent's Bridge card was used by the Respondent on [REDACTED], for \$ [REDACTED] even and five minutes later for \$ [REDACTED] which zeroed out her FAP account except for \$ [REDACTED]

On [REDACTED], the Respondent zeroed out her Bridge card balance for \$ [REDACTED] again at the [REDACTED].

The standard for an IPV is that it must meet "the standards of "Clear and Convincing."

These two transactions meet the standard of clear and convincing and are indicative of trafficking FAP benefits.

In addition, the Respondent moved to [REDACTED] and after that change of residence the Respondent was also in violation of Department policy. (BEM 220). The error lies not with the use of the benefits out of the state of Michigan but with the Respondent's failure to inform the Department of her change of residence.

The FIP Issue

In addition, the Respondent received \$ [REDACTED] in FIP benefits while residing in the State of [REDACTED]

Such use by non-Michigan residents is in violation of Department policy. (BAM 220)

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of FAP and FIP programs benefits in the amount of \$ [REDACTED]

The Department is ORDERED to initiate recoupment/collection procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FIP and FAP for a period of 12 months.
