HEARING DECISION

Pursuant to a September 8, 2014, federal lawsuit, the Department of Health and Human Services (Department) issued notices to Medicaid applicants who were potentially denied full Medicaid coverage based on immigration status between January 2014 and May 2015. The notice included information about how to request a hearing. Petitioner filed a request for a hearing; and accordingly, this matter is before the undersigned Administrative Law Judge pursuant to Michigan Administrative Hearing Rules (R 792.10101 – R 792.11903) and the Administrative Procedures Act, 1969 PA 306, as amended, MCL 24.201 *et seq.*

After due notice, a telephone hearing was held on June 6, 2016, from Detroit, Michigan. At the commencement of the hearing, Petitioner requested that his mother [REDACTED] serve as his authorized hearing representative (AHR). The Department was represented by [REDACTED], Eligibility Specialist. [REDACTED] served as translator ([REDACTED]) during the hearing.

ISSUE

Did the Department properly determine Petitioner's immigration status or citizenship when determining Medicaid (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On February 4, 2015, Petitioner applied for MA.
2. On the date of MA application, Petitioner was not a United States citizen.

3. The Department approved Petitioner for Emergency Services Only (ESO) MA coverage.
4. On an unknown date, the Department issued a notice to Petitioner indicating he may have been denied full MA coverage based on immigration status between January 2014 and May 2015.
5. On September 4, 2015, Petitioner requested a hearing (Exhibit A, p. 2).

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), Department of Health and Human Services Modified Adjusted Gross Income (MAGI) Related Eligibility Manual (MREM), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, Petitioner requested a hearing disputing the Department granting him ESO MA rather than full-coverage MA. To be eligible for full-coverage MA, a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 (October 2014), p. 2. An individual who is a permanent resident alien with a class code on the permanent residency card other than RE, AM or AS is eligible only for ESO MA coverage for the first five years in the U.S. unless the alien is a qualified military alien or the spouse or dependent child of a qualified military alien. BEM 225, pp. 7-8, 30; MREM, § 3.6. A qualified military alien is a qualified alien on active duty in, or veteran honorably discharged from, the U.S. Armed Forces. BEM 225, p. 5; MREM, § 3.6. A person who does not meet an acceptable alien status, including undocumented aliens and non-immigrants who have stayed beyond the period authorized by the U.S. Citizenship and Immigration Services, are eligible only for ESO MA coverage. BEM 225, p. 9. Persons refusing to provide citizen/alien status information on the application or unable or refusing to provide satisfactory verification of alien information are limited to ESO coverage. BEM 225, p. 3. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225, p. 2.

In this case, Petitioner was initially approved for ESO. After receiving the hearing request, the Department became aware that Petitioner asserted in his February 4, 2015

application that he had eligible immigration status (Exhibit A, p. 8). The Department testified that it activated full-coverage MA for Petitioner from February 2015 through February 2016 based on his self-attestation. See BAM 130 (October 2014), p. 4. It presented a Medicaid eligibility summary that showed active full coverage during this period (Exhibit A, pp. 45-46). The Department explained that there was a typographical error in the February 10, 2016 Benefit Notice that notified Petitioner that he was eligible for full-coverage MA effective February 2016, when in fact it should have stated 2015. The Department pointed out that Petitioner's MA case closed effective February 1, 2016 because, in connection with a job reported in his redetermination, he became income ineligible for MA. Because Petitioner's case closed due to reasons unrelated to his immigration status, the case closure is not within the scope of this hearing and, as such, is not addressed in this Hearing Decision.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department properly determined Petitioner's immigration status or citizenship when determining MA eligibility.

DECISION AND ORDER

Accordingly, the Department's determination about MA eligibility based on immigration status is **AFFIRMED**.
