MAHS Docket No.: 16-004439  
Agency No.: [REDACTED]  
Petitioner: [REDACTED]

**ADMINISTRATIVE LAW JUDGE: Michael J. Bennane**

### **HEARING DECISION**

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on [REDACTED], from Detroit, Michigan. The Petitioner was represented by [REDACTED]. The Department of Health and Human Services (Department) was represented by [REDACTED], Hearings Facilitator, and [REDACTED], representing Partnership.Accountability.Training.HOPE. (PATH).

### **ISSUE**

Did the Department properly deny the Petitioner's medical excuses from PATH?

### **FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner applied for Family Independence Program (FIP) and her medical documentation was sent to the Medical Review Team (MRT) who determined that she was not deferred from PATH.
2. At the hearing, Petitioner presented further medical documentation, much of which is handwritten documentation by the Petitioner.
3. Having been denied and not excused from the PATH, Petitioner requested a hearing on [REDACTED], to protest the denial of her PATH deferral.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, the Petitioner has provided the Department with new medical documentation upon which the Department did not find good cause for failing to attend PATH.

Originally, this ALJ felt that this case should have been a disability decision. However, the previous facts of the case demand that the Department turned down Petitioner's request for deferral from PATH.

MRT has made a decision that the Petitioner can perform minimal work in conjunction with PATH.

If Petitioner continues to believe that the MRT decision was erroneous. She can present **new** medical evidence for a new MRT decision and should do so, after again asking for deferral from PATH activities.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it denied the Petitioner's deferral request.

### **DECISION AND ORDER**

Accordingly, the Department's decision is **AFFIRMED**.
