**HEARING DECISION FOR CONCURRENT BENEFITS
INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulations, particularly 7 CFR 273.16 and 45 CFR 235.110, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on June 9, 2016, from Lansing, Michigan. The Department was represented by [REDACTED], of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Benefits (FAP) and Medicaid (MA) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving benefits for the FAP program for 10 years?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 19, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving FAP program benefits.
3. Respondent was a recipient of FAP and MA benefits issued by the Department.
4. On the Assistance Applications, DHS 1171, signed by Respondent on October 19, 2012, the Respondent reported that she understood the responsibility to report changes in household group composition to the Department within 10 days. Department Exhibit 1, pgs. 11-43.
5. Respondent **was** aware of the responsibility to report changes in household group composition where she failed to report that her child, K. M. was no longer a part of her household group composition, but was receiving benefits in [REDACTED] from August 8, 2012 through December 2, 2014. Department Exhibit 1, pgs. 44-46.
6. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
7. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2012 through March 31, 2013 for FAP and August 1, 2012 through February 28, 2013 for MA (fraud period).
8. During the fraud period, Respondent was issued [REDACTED] in FAP and [REDACTED] in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in FAP benefits and [REDACTED] MA benefits during this time period.
9. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED] and MA benefits in the amount of [REDACTED].
10. During the alleged fraud period, Respondent's child, K. M. was issued FAP benefits from the [REDACTED].
11. This was Respondent's **first** alleged IPV, but since she received concurrent benefits on behalf of her child, K.M., from the [REDACTED], during the contested time period she is sanctioned from receiving FAP benefits for 10 years.
12. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

Effective October 1, 2014, the Department's OIG requests IPV hearings for the following cases:

- Willful overpayments of \$500.00 or more under the AHH program.
- FAP trafficking over issuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
 - the total amount is less than \$500, and
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720, ASM 165.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700; BAM 720.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720.

Overissuance

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700.

In this case, the Respondent was a recipient of FAP and MA benefits issued by the Department. On the Assistance Applications, DHS 1171, signed by Respondent on

October 19, 2012, the Respondent reported that she understood the responsibility to report changes in household group composition to the Department within 10 days. Respondent **was** aware of the responsibility to report changes in household group composition where she failed to report that her child, K. M. was no longer a part of her household group composition, but was receiving benefits in [REDACTED] from August 8, 2012 through December 2, 2014. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2012 through March 31, 2013 for FAP and August 1, 2012 through February 28, 2013 for MA (fraud period). During the fraud period, Respondent was issued [REDACTED] in FAP and [REDACTED] in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in FAP benefits and [REDACTED] MA benefits during this time period. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED] and MA benefits in the amount of [REDACTED]. During the alleged fraud period, Respondent's child, K. M., was issued FAP benefits from the [REDACTED]. This was Respondent's **first** alleged IPV, but since she received concurrent benefits on behalf of her child, K.M., from the [REDACTED], during the contested time period she is sanctioned from receiving FAP benefits for 10 years. A notice of hearing was mailed to Respondent at the last known address and **was not** returned by the US Post Office as undeliverable. Department Exhibit 1, pgs. 11-67.

Additionally, the Respondent failed to report that she that her child, K.M., was no longer a part of her household group composition, but was living in [REDACTED] resulting in an overissuance of FAP benefits of [REDACTED] and MA benefits of [REDACTED] that the Department is required to recoup. During the alleged fraud period, Respondent was issued FAP benefits from the [REDACTED] for her child, K.M. In addition, the Respondent through K.M. received concurrent benefits from the State of Michigan and the [REDACTED] during the contested time period.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. The Department has established by clear and convincing evidence that Respondent did commit an intentional program violation (IPV).
2. Respondent did receive an OI of FAP program benefits of [REDACTED] and MA program benefits in the amount of [REDACTED]
3. The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from the FAP program for a period of 10 years.
