**ADMINISTRATIVE LAW JUDGE: Jonathan W. Owens**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on July 25, 2016, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits for one year?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on October 28, 2015, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG **has** requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits issued by the Department.
4. Respondent **was** aware of the responsibility to report information.
5. Respondent **did not have** an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is May 3, 2012 through July 31, 2015 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. This was Respondent's **first** alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and **was** returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective October 1, 2015, the Department's OIG requests IPV hearings for the following cases:

1. FAP trafficking over-issuances that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**
  - The total amount is less than \$500, **and**
  - The group has a previous IPV, **or**
  - The alleged IPV involves FAP trafficking, **or**
  - The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
  - The alleged fraud is committed by a state/government employee.

BAM 720, pages 12-13 (October 2015)

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, page 1 (October 2015).

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, page 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In the present case, the Department is seeking to establish an IPV based upon the Respondent allegedly failing to disclose having more than one drug related felony. The Department points to an application completed on May 3, 2012, in which the Respondent failed to report drug related felonies.

The Department cites BEM 203, page 2 (October 2011) which states:

An individual convicted of a felony for the use, possession, or distribution of controlled substances two or more times in separate periods will be permanently disqualified if both offenses occurred after August 22, 1996.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720; BEM 708. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720. CDC clients who intentionally violate CDC program rules are disqualified for six months for the first occurrence, twelve months for the second occurrence, and lifetime for the third occurrence. BEM 708. A disqualified recipient remains a member of an active group as long as he/she lives with them, and other eligible group members may continue to receive benefits. BAM 720.

In this case, the Department presented evidence demonstrating the Respondent was asked on the application he completed if he had drug related felonies. The Respondent failed to answer this question truthfully. Based on this response, the Respondent was granted FAP benefits he was ineligible to receive. The Department presented copies of the Respondent's court record which demonstrated he was convicted of a drug related felony on June 18, 2002, and again December 13, 2007. (Exhibit 1, page 74-75)

Based on the information provided, the Department has demonstrated the Respondent intentionally withheld information (drug felonies) from the Department in order to receive more benefits than he was eligible to receive.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, page 1 (October 2015).

As noted above, this Administrative Law Judge finds the Department has proven that the Respondent purposefully withheld information regarding his drug related felonies. As a result of this action, the Respondent was granted \$6862.00 in FAP benefits he was ineligible to receive, therefore causing an over-issuance.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department **has** established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent **did** receive an OI of program benefits in the amount of [REDACTED] from the FAP program.

The Department is ORDERED to initiate recoupment/collection procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from the FAP program for a **12 months**.
