Date Mailed: July 13, 2016
MAHS Docket No.: 16-007261
Agency No.: [REDACTED]
Petitioner: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Michael J. Bennane

HEARING DECISION

Following Petitioner's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10; and Mich Admin Code, R 792.11002. After due notice, a telephone hearing was held on [REDACTED], [REDACTED] from Detroit, Michigan. The Petitioner was represented by Petitioner and her husband, [REDACTED]. The Department of Health and Human Services (Department) was represented by [REDACTED].

ISSUE

Did the Department properly calculate the Petitioner's Medical Assistance (MA) deductible and the amount of her Food Assistance Program (FAP).

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Petitioner and her husband are ongoing recipients of FAP and MA (G2S), with a deductible.
2. On [REDACTED], the Department sent the Petitioner a Notice of Case Action notifying her that she was approved for FAP benefits in the amount of \$ [REDACTED] per month effective [REDACTED].
3. On [REDACTED], the Department sent the Petitioner a Health Care Coverage Determination Notice notifying the Petitioner that she and her husband's MA deductible will be \$ [REDACTED] effective [REDACTED].

4. On [REDACTED], the Petitioner requested a hearing to protest the FAP reduction and the addition of a deductible for the Petitioner and her husband.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, the Department testified during the hearing that the Petitioner's FAP benefits were reduced because the husband's Social Security benefits were not being taken into account. When they were counted, this had a negative effect on the Petitioner's FAP and MA deductible.

The imposition of the deductible on Petitioner's MA is based on a budget that was not provided. The Petitioner's FAP assistance also is based on a budget that was not provided. This omission did not allow the undersigned Administrative Law Judge to question the Petitioner and the Department concerning its elements during the hearing.

The production of evidence to support the Department's position is clearly required under BAM 600 as well as general case law [see, for example, *Kar v Hogan*, 399 Mich 529; 251 NW2d 77 (1976)]. In *McKinstry v Valley Obstetrics-Gynecology Clinic, PC*, 428 Mich167; 405 NW 2d 88 (1987), the Michigan Supreme Court addressed the issue of burden of proof, stating in part:

The term "burden of proof" encompasses two separate meanings. [citation omitted.] One of these meanings is the burden of persuasion or the risk of nonpersuasion. The other is the risk of going forward or the risk of nonproduction.

The burden of producing evidence on an issue means the liability to an adverse ruling (generally a finding or a directed verdict) if evidence on the issue has not been produced. It is usually on the party who has pleaded the existence of the fact, but..., the burden may shift to the adversary when the pleader has discharged [its] initial duty. The burden of producing evidence is a critical mechanism[.]

The burden of persuasion becomes a crucial factor only if the parties have sustained their burdens of producing evidence and only when all of the evidence has been introduced.

McKinstry, 428 Mich at 93-94, quoting *McCormick*, Evidence (3d ed), Sec. 336, p. 946.

In other words, the burden of producing evidence (i.e., of going forward) involves a party's duty to introduce enough evidence to allow the trier of fact to render a reasonable and informed decision.

In the instant case, the Department was unable to sufficiently support whether the amount of the MA deductible or the FAP allotment was correct.

The Department did not meet the burden of showing, through evidence, that its actions are supported by policy.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it failed to provide either an FAP or MA budget.

DECISION AND ORDER

Accordingly, the Department's decision is **REVERSED**.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Reinstate the Petitioner's FAP benefits and MA deductible back to [REDACTED], and supplement for missed benefits.
