**ADMINISTRATIVE LAW JUDGE: Jacquelyn A. McClinton**

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on September 19, 2016, from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing; and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of FAP and MA benefits that the Department is entitled to recoup?
2. Did the Department establish, by clear and convincing evidence, that Respondent committed an Intentional Program Violation (IPV) for both FAP and MA programs?
3. Should Respondent be disqualified from receiving FAP benefits for 12 months?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 8, 2016, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and MA benefits issued by the Department.
4. Respondent was aware of the responsibility to report changes in group size.
5. Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED] (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED].
9. During the fraud period, Respondent was issued [REDACTED] in MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
10. The Department alleges that Respondent received an OI in MA benefits in the amount of [REDACTED].
11. This was Respondent's first alleged IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The

Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k. .

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
  - the total OI amount is less than \$1000, **and**
    - the group has a previous IPV, **or**
    - the alleged IPV involves FAP trafficking, **or**
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - the alleged fraud is committed by a state/government employee.

BAM 720 (December 2011), p. 10.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and

- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (December 2011), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of her FAP and MA benefits because she failed to notify the Department when her son was no longer living in the home. While this evidence may be sufficient to establish that Respondent may have been overissued benefits, to establish an IPV, the Department must present clear and convincing evidence that Respondent **intentionally** withheld or misrepresented information for the purpose of maintaining benefits.

In support of its contention that Respondent committed an IPV, the Department presented two applications Respondent submitted to the Department on [REDACTED] and [REDACTED], in which Respondent acknowledged that she had received the Information Booklet advising of "Things You Must Do", which explained reporting change circumstances. However, this is not dispositive to show Respondent's intent to withhold information for the purpose of receiving or maintaining FAP benefits.

Additionally, the Department presented correspondence the school of the child in question. The correspondence indicated that the child resided with his father and stepmother during the 2011-2012 school year. Additional school documents were produced for latter years in which the child was listed as residing with his father. The 2011-2012 school year ran from September 2011 through June 2012. As such, the child was not residing with Respondent when she submitted the [REDACTED] application or the [REDACTED] application. The Department indicated that it talked directly with the father of the child and he indicated that the child has resided in his home since sometime in 2012. Because Respondent submitted fraudulent information to the Department under the penalty of perjury, it is found that the Department has established that Respondent intentionally withheld or misrepresented information for the purpose of maintaining FAP benefits.

**Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 12.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 13.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Accordingly, Respondent is subject to a 12 month disqualification under the FAP program.

**Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. In this case, the Department is seeking recoupment of FAP and MA benefits as it alleges that Respondent received more benefits than she was entitled.

The Department has alleged that Respondent was issued [REDACTED] in FAP benefits during the fraud period. The Department submitted budgets which revealed that Respondent would have been entitled to [REDACTED] in FAP benefits if the change in group size had been reported timely. Therefore, the Department has established that an overissuance occurred in the amount of [REDACTED]. The Department also presented evidence that the child received MA benefits in the amount of [REDACTED] based upon fraudulent information provided by Respondent, and as such was not entitled to any MA benefits for the child who was not in her care. Therefore, the Department entitled to recoup the total amount of [REDACTED] for FAP and MA benefits issued from [REDACTED].

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent did receive an OI of program FAP benefits in the amount of [REDACTED] from [REDACTED].

3. Respondent did receive an OI of program MA benefits in the amount of [REDACTED] from [REDACTED].

The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent is not subject to a 12 month disqualification from FAP benefits.
