**ADMINISTRATIVE LAW JUDGE:** Susanne E. Harris

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Health and Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16 and 45 CFR 235.110; and with Mich Admin Code, R 400.3130 and 400.3178. After due notice, a telephone hearing was held on October 13, 2016, from Lansing, Michigan. The Department was represented by [REDACTED] Regulation Agent of the Office of Inspector General (OIG). The Respondent did not appear at the hearing; and it was held in the Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

Did the Respondent commit an Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and thereby receive an Over issuance (OI) that the Department is entitled to recoup/collect?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on July 6, 2016, to establish an OI of benefits received by the Respondent as a result of the Respondent having allegedly committed an IPV.
2. The OIG has requested that the Respondent be disqualified from receiving program benefits.

3. The Respondent was a recipient of FAP benefits issued by the Department.
4. The Respondent was aware of the responsibility to report all changes in household circumstances to the Department, within 10 days.
5. The Respondent did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the OI period is March 1, 2013 to October 31, 2013.
7. During the OI period, the Respondent was issued \$ [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that the Respondent was entitled to \$ [REDACTED] in such benefits during this time period.
8. The Department alleges that the Respondent received an OI in FAP benefits in the amount of \$ [REDACTED]
9. This was the Respondent's first alleged IPV.
10. A notice of hearing was mailed to the Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Bridges Eligibility Manual (BEM), Adult Services Manual (ASM), and Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

Effective January 1, 2016, the Department's OIG requests IPV hearings for the following cases:

- FAP trafficking overissuances that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and

- The total amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, or
- the total amount is less than \$500, and
  - the group has a previous IPV, or
  - the alleged IPV involves FAP trafficking, or
  - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
  - the alleged fraud is committed by a state/government employee.

BAM 720 (2016), pp. 12, 13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that the Respondent failed to report when her income exceeded the simplified reporting limit on her FAP case. However, there is no evidence of what the Respondent's simplified reporting limit was. The Regulation Agent at the hearing testified that she did not know what the Respondent's simplified reporting limit was, the Recoupment Specialist who computed the OI budgets was not present to testify to the simplified reporting limit and such information was not contained in the

record. Without that information, this Administrative Law Judge cannot determine whether or not the Respondent's income exceeded her simplified reporting limit. As such, the Department does not meet its burden, by a clear and convincing standard, of proving that the Respondent withheld information for the purpose of maintaining program benefits. Therefore, the evidence is insufficient to establish that the Respondent committed an IPV.

### **Disqualification**

A client who is found to have committed an IPV by a court or hearing decision is disqualified from receiving program benefits. BAM 720, pp. 15, 16. Clients are disqualified for ten years for a FAP IPV involving concurrent receipt of benefits, and, for all other IPV cases involving FIP, FAP or SDA, for standard disqualification periods of one year for the first IPV, two years for the second IPV, and lifetime for the third IPV. BAM 720, p. 16. A disqualified recipient remains a member of an active group as long as he or she lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 16.

In this case, the Administrative Law Judge has concluded that the Respondent has not committed an IPV. As such, the Administrative Law Judge concludes that no disqualification penalty is to be imposed.

### **Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. In this case, because there is no evidence of the Respondent's simplified reporting limit, the Department does not meet its burden of proving that the Respondent received an OI of the FAP that the Department is entitled to recoup/collect.

## **DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that the Department has not established by clear and convincing evidence that the Respondent committed an IPV. No disqualification penalty is therefore imposed and no recoupment/collection action is ordered.
