CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food and Nutrition Act of 2008, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Department of Human Services) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001-.3011.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

In this case, the Department closed the Petitioner's MA and FAP due to its erroneous belief that the Petitioner's ex-husband was living with the Petitioner. During the redetermination, the Department interviewed the Petitioner by telephone and was advised by the Petitioner that did not live with her. Thereafter, the Petitioner was sent a VCL, which requested that she provide the Department current earnings statements or check stubs for the verification, the Petitioner sent the Department a detailed explanation advising the Department that her ex-husband was not living with her and had not lived with her since to the verification. Exhibit D. It is not clear from the record whether or not the Department considered the verification response, which was timely.

The Department closed briefly the Petitioner's Ad Care Medical Assistance and also her QMB cost-sharing program. Based upon the evidence presented at the hearing, there has been no lapse in coverage as both the MA and the QMB cost sharing have been reinstated. As explained at the hearing, however, even though the QMB has been reinstated, the Petitioner will have to wait approximately four months until Social Security reimburses the Petitioner. Based upon the evidence submitted by the Department which demonstrates that both the MA Ad Care and QMB are active, there is no issue for the undersigned to decide.

The Department also closed the Petitioner's FAP due to its erroneous belief that the Petitioner's ex-husband was currently residing in her home. This decision to close the FAP was based on a task reminder received by the caseworker from the Office of Child Support. It does not appear from the record that the Department attempted to determine the Petitioner's ex-spouse's current address based on his driver's license or contact the Office of Child Support.

BEM 212 found in Department policy addresses FAP group composition. The only basis for which the Petitioner's ex-husband could be a mandatory group member would be as the father of the Petitioner's children. BEM 212 (October 1, 2016), p. 1.

In addition, Department policy provides:

All Programs

Before determining eligibility, give the client a reasonable opportunity to resolve any discrepancy between his statements and information from another source. BAM 130, July 1, 2016), p. 9

In this case, the Petitioner timely responded to the VCL advising the Department in detail that had not lived in her house since; and she had not spoken to the OCS since Exhibit D. Based upon this information and the fact that the Department provided no information from the OCS that there was some basis to place the Petitioner's ex-husband in her house, the Department failed to meet its burden to establish any reasonable basis for its determination to close the Petitioner's FAP. The Task reminder from Child Support indicates a member add,

however, without more or determining the basis for the member add, the Department had no basis to support its decision that the Petitioner's ex-husband was residing in her house. Therefore, the FAP closure, based upon Department policy was in error.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department failed to satisfy its burden of showing that it acted in accordance with Department policy when it closed the Petitioner FAP benefits for failure to verify income of her ex-husband.

Accordingly, the Department's decision is **REVERSED** as regards its decision to close the Petitioner's FAP case.

The Petitioner's request for hearing regarding closure of MA and QMB benefits is DISMISSED as there remains no issue to be determined by the undersigned.

IT IS SO ORDERED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

- 1. The Department shall reinstate the Petitioner's FAP as of
- 2. The Department shall issue an FAP supplement to the Petitioner for any FAP benefits the Petitioner is otherwise eligible to receive in accordance with Department policy.
