ISSUE

Did the Department properly determine that the Petitioner's Medical Assistance (MA) case be subject to a deductible in the amount of [REDACTED]

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Petitioner is an ongoing recipient of MA with a deductible.
2. On June 15, 2016, the Department sent the Petitioner a Health Care Coverage Determination notice informing the Petitioner that his MA deductible was \$ [REDACTED]
3. On September 12, 2016, the Department received the Petitioner's written hearing request protesting the determination of the amount of his MA deductible.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Health and Human Services Bridges Administrative Manual (BAM), Department of Health and Human Services Bridges Eligibility Manual (BEM), Department of Health and Human Services Reference Tables Manual (RFT), and Department of Health and Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Department of Human Services) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Additionally, BEM 545 (2016) provides the complete the Group 2 MA income eligibility process. Income eligibility exists for the calendar month tested when:

- There is no excess income.
- Allowable medical expenses (defined in **EXHIBIT I**) equal or exceed the excess income.

When **one** of the following equals or exceeds the group's excess income for the month tested, income eligibility exists **for the entire month**:

- Old bills.
- Personal care services in clients home, Adult Foster Care (AFC), or Home for the Aged (HA).
- Hospitalization.
- Long-term care.

When **one** of the above does **not** equal or exceed the group's excess income for the month tested, income eligibility begins either:

- **The exact day of the month** the allowable expenses **exceed** the excess income.
- **The day after the day of the month** the allowable expenses **equal** the excess income.

In addition to income eligibility, the fiscal group must meet all other financial eligibility factors for the category processed. However, eligibility for MA coverage exists only for qualified fiscal group members. A qualified fiscal group member is an individual who meets all the nonfinancial eligibility factors for the category processed.

In this case, the Petitioner expressed that he was ill and that he requested a hearing because he wanted to ensure that the determination of his MA deductible was accurate. During the hearing, the Petitioner's MA budget was thoroughly reviewed. The Petitioner receives [REDACTED] monthly RSDI. The Petitioner is afforded the \$ [REDACTED] unearned income general exclusion provided for by policy. The Petitioner's protected income limit was properly determined to be \$ [REDACTED]. As such, the Petitioner's deductible was properly calculated to be \$ [REDACTED]. Therefore, the Administrative Law Judge concludes that the Department acted in accordance with Department policy when taking action to determine the Petitioner's deductible.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law finds that the Department acted in accordance with Department policy when it determined the amount of the Petitioner's MA deductible.

Accordingly, the Department's decision is **AFFIRMED**.
